How Far Can You Go? John Maclean, 2016-03-29 An inspirational memoir by a man who became an elite wheelchair athlete after suffering a catastrophic spinal injury and who finally walked again 25 years after his accident After two years of intense physical therapy following his crippling accident John Maclean set a new course for himself when his father encouraged him to embrace his new reality and asked How far can you go Inspired Maclean became the first paraplegic to complete the Ironman World Championship and swim the English Channel before going on to win a silver medal for rowing at the 2008 Paralympic Games yet these achievements did not come easy or on his first try But with fierce tenacity determination and the love of family and friends Maclean was able to see each dream realized Yet he longed for one more victory to walk on the beach with his family holding his wife's hand Through a radical therapy he retrained his mind and challenged conventional thinking to walk again after 25 years in a wheelchair HOW FAR CAN YOU GO is his amazing story

Sky's the Limit. How Far Can You Go? Michael Marnu, 2012 I graduated from the University 1985 very positive and hopeful about the future I looked to the world of possibilities and was very optimistic In the course of time I lost my job came to the blackest depression of my life I then learned this lesson in life There is limit to sky's the limit philosophy In life we battle against circumstances which are not mere fantasies but real powerful enough to quench the fire in us We all have a weak spot our Achilles heel which makes us vulnerable and fatal especially if we are caught unawares The limit we experience and our ability to overcome the limit determines the highest we can go The decision to handle failure proactively and to deal with impossible situations is the key to the highest we can go The book addresses 15 secrets of life to help you to come out of mess and live the dreams of your life To the reader this book won't just pose many questions but will give you some answers too It will help you empower yourself by making the most of your God-given talents which many of us don't take advantage of Take the best of what you read in this book comprehend it use it and make something out of your life
