How Many Inches Is Enough To Satisfy A Woman:

How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going. If he wishes, he can have a second orgasm and keep going. He can last as long as his partner wishes, experience all of the excitement and release, and keep going. For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today's techniques have been perfected to make male multiple orgasm an option for almost every man. Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook *Sex: How to Make Love All Night*. Tombstone M Missy, 2019-10-23 Hello, my name is Morgan Matthew McCoy III. I grew up near the small coal mining town of Pottsville, Pennsylvania. At 18 years of age, we moved to Tombstone, Arizona. My father was a mining engineer. My childhood was full of confusion, despair, sadness, a very disappointed father, a very loving mother, a thick leather strap, many tears, and a saving angel. During my growing years in Pennsylvania, during our wagon train trip to the West, and after our settlement in Tombstone, problems and trouble seemed to find me at every turn. There just seemed like there were bad men everywhere, sometimes the bad person was me. Because of some special God-given talents, though no wish of my own, I became the greatest UNKNOWN gun fighter, protector of the innocent, and healer of the sick and injured. The West had ever NOT KNOWN. My great fame came not just because of my many feats, but from the fact I was able to keep my identity a secret. Thus, I became known as The Ghost. How did I do so? I had secrets of my own. My story will tell you while the likes of my friends Wyatt Earp and his brothers Morgan Warren and Virgil, along with Wyatt's good friends Doc Holiday and Bat

Masterson became the famous ones it was me who was the real law the real protector of the people It was me who helped Wyatt Earp finish the outlaw group known as THE COWBOYS I have killed more bad men than all the famous lawmen put together It was me Well let me not tell you the end of my story now Let me just say you will be surprised to know the answer to two of the West s most famous mysteries How did I accomplish such without becoming famous myself how did I hide my identity That answer is what made my life the most unusual of lives That answer is what made me who I became THE GHOST
