MBE,2019-06-03 From crowded train stations to quiet woods and from city centres to our own back gardens birds remind us that nature is everywhere But do you know which is the king of the birds Has anyone ever told you how the brave swallow got its forked tail And what of the owl who was really a baker s daughter Take a look inside The Magpie s Nest where a hoard of stories riddles and rhymes is waiting for you Suitable for all ages and charmingly illustrated by Lakeland artist Becca Hall this is an essential collection of stories for all who love the natural world **Call of the Kingfisher** Nick Penny,2023-07-13

Call of the Kingfisher is the enchanting debut from composer and wildlife recordist Nick Penny This love letter to a short stretch of Northamptonshire s River Nene celebrates all the wild things that live there especially the kingfishers Uniquely it comes with bonus audio content to complement the text accessed via QR codes Nick has walked beside the river at Oundle for four decades But for a whole year he gave the waterway all the time it asked for The more attention he gave it the more he saw the kingfishers and heard their high whistling calls Set in a lovely but little known part of England Call of the Kingfisher relates a year by the river the author s experiences there and the different people he meets Other strands are woven around the elusive feathered protagonist explorations of local history and landscape from Roman and Bronze Age sites to watermills and centuries old stone churches visits at different times and to different places in the valley homages to naturalists who lived nearby forest dawns and dusks listening to the precious song of nightingales But the background tapestry is the sights and sounds and greens and browns of the riverbank shot through with the blue and orange threads of a kingfisher s glowing feathers As a composer and wildlife recordist Nick has a deep interest in sounds in the natural environment He both uses the local landscape and wildlife sounds as inspiration and brings fresh insights into the sounds of the countryside The book includes access to a number of high quality birdsong recordings made alongside the River Nene audio soundbites of nature s riches from kingfishers and nightingales to owls and cuckoos This is a book about the things that can be seen and heard when we approach nature with patience and curiosity It celebrates people who have used that focus to help preserve wildlife and pass on their knowledge to future generations Above all Call of the Kingfisher serves as a call to appreciate what we ve got wherever we are and to use our ears as much as our eyes when we experience the natural world

Living Languages and New Approaches to Language Revitalisation Research Tonya Stebbins,Kris Eira,Vicki Couzens,2017-09-20 This book advocates for a new model of describing the practices of language revitalization and decolonizing the research methods used to study them The volume provides a comprehensive treatment of the theoretical and methodological foundations of working with communities revitalizing their languages It lays out the conceptual framework at the heart of the project and moves into a description of the model based on a seven year research process working with Aboriginal communities in eastern Australia Six case studies show the model s application in language revival

practice The book critically engages with the notion of revival languages as emergent and ever transforming and develops a holistic approach to their description that reflects Aboriginal language practitioners understandings of the nature of language It seeks to demonstrate how the conceptual tools developed from this approach can support efforts to develop deeply collaborative research highlight the diversity of language revitalisation practice and map between the realms of old and new local and global and the social cultural and textual dimensions of language making this an ideal resource for researchers and scholars in sociolinguistics linguistic anthropology education cultural studies and post colonial studies
