worthy causes But on October 3rd 2012 ITV broadcast an investigation into Savile s behavior called Exposure The Other Side of Jimmy Savile In it they revealed the true predatory and evil man behind the popular TV persona In the documentary several women alleged he sexually abused them when they were underage This sparked a flurry of allegations in the following days and weeks from other alleged victims So far police have been called to investigate reports of abuse on young children from as long ago as 1959 and anticipate the number of victims to be in the region of 300 But how Savile was allowed to get away with such monstrous crimes for so long has been the subject of immense debate and has led to the investigations of several British institutions The BBC has been criticized and is hosting an internal investigation into how Savile s behavior was never called into question and how abuse allegations during his long career at the corporation failed to be flagged An investigation is also underway into the canceling of a Newsnight program in 2011 The Department of Health has also said it will investigate its own conduct in appointing Savile to lead a taskforce overseeing the management of high security psychiatric hospital Broadmoor in 1998 Abuse is also alleged to have taken place at Stoke Mandeville Hospital and Leeds General Infirmary where Savile volunteered This is a well researched and informative look at how a predatory pedophile was allowed to go unnoticed for so long and to breach a nation s trust is such a cruel and evil way **Moody's Manual of**
