How To Be Healthy And Heal The Body With Recipes For Life:

How to Be Healthy and Heal the Body With Recipes For LIFE John R. Bergman, 2013-11-12 This book of recipes is for optimal healing Your body is self healing and self regenerating and self regulating Nutrition is not taught in detail in Medical schools even though throughout time even the father of medicine Hippocrates said Let food be your medicine and medicine be your food and even older than that there is an Ayurvedic saying when diet is good medicine is of no need and when diet is poor medicine is of no good This book is to guide you on how your body metabolizes nutrients and prevent and even reverse disease in most cases I will present information to get the most out of the food you have available to where ever you live on our planet Some places at some times of the year won t have fresh vegetables available so I will ask you to substitute fermented vegetables and show you how to prepare them You may not have access to fresh coconuts or fresh spices I will always give you alternatives so no matter where you are or what you can afford you will always have cost effective healthy food choices for you and your family I will also show you how to have healthy meals that even the pickiest child or adult will like You will need some equipment to predigest your food because most diseases start in the gut Most people today have poor digestion from the types of food available and poor medical care like over use of medications and poor quality of foods So we have to heal the gut first

Recipes for a Beautiful Life Rebecca Barry, 2016-04-19 Writing with a delicate balance of humor and truth critically acclaimed author Rebecca Barry reflects on motherhood work and marriage in her new memoir about trying to build a creative life When Rebecca Barry and her husband moved to upstate New York to start their family they wanted to be surrounded by natural beauty but close to a small urban center doing work they loved and plenty of time to spend with their kids But living their dreams turned out not to be so simple the lovely old house they bought had lots of character but also needed lots of repairs they struggled to stay afloat financially their children refused to sleep or play quietly and the novel Rebecca had dreamed of writing simply wouldn t come to her Recipes for a Beautiful Life blends heartwarming funny authentically told stories about the messiness of family life a fearless examination of the anxieties of creative work and sharp eyed observations of the pressures that all women face This is a story of a woman confronting her deepest fears What if I m a terrible mother What if I m not good at the work I love What if my children never eat anything but peanut butter and cake What if I go to sleep angry It s also a story of the beauty light and humor that s around us all the time even when things look bleak and using that to find your way back to your heart Mostly though it is about the journey to building not just a beautiful life but a creative one From publisher s website
