Committee on Un-American Activities,1950     An Incorruptible Crown R. C. Jette,2021-07-23 With all the turmoil and unrest in our nation it seems many have turned our eyes away from the prize we began this race to win We have forgotten we are not running for a corruptible crown that will fade away We have forgotten we chose to run this race because we desired to win the incorruptible crown Our cross of self denial has become too cumbersome and our race too arduous too demanding We have become more concerned with enjoying this life instead of running for the prize of the future Because we are centered on the now and not the future we have lost the desire to persevere As we focus upon this life we are daily enticed to meander onto the wide and broad path This book is

written to ignite the fire in us to persevere and focus on our eternal glory and not this life We will be encouraged to keep running as we remember our light afflictions of this life are for a season whereas winning our incorruptible crown is forever

*Where's the Trustee?* United States. Congress. Senate. Committee on Indian Affairs (1993- ), 2010 *Your Face Belongs to Us* Kashmir Hill, 2024-08-06 NATIONAL BESTSELLER The story of a small AI company that gave facial recognition to law enforcement billionaires and businesses threatening to end privacy as we know it The dystopian future portrayed in some science fiction movies is already upon us Kashmir Hill's fascinating book brings home the scary implications of this new reality John Carreyrou author of *Bad Blood* A BEST BOOK OF THE YEAR Financial Times Los Angeles Times Wired Winner of the Inc Non Obvious Book Award Longlisted for the Financial Times and Schroders Business Book of the Year Award New York Times tech reporter Kashmir Hill was skeptical when she got a tip about a mysterious app called Clearview AI that claimed it could with 99 percent accuracy identify anyone based on just one snapshot of their face The app could supposedly scan a face and in just seconds surface every detail of a person's online life their name social media profiles friends and family members home address and photos that they might not have even known existed If it was everything it claimed to be it would be the ultimate surveillance tool and it would open the door to everything from stalking to totalitarian state control Could it be true In this riveting account Hill tracks the improbable rise of Clearview AI helmed by Hoan Ton That an Australian computer engineer and Richard Schwartz a former Rudy Giuliani advisor and its astounding collection of billions of faces from the internet The company was boosted by a cast of controversial characters including conservative provocateur Charles C Johnson and billionaire Donald Trump backer Peter Thiel who all seemed eager to release this society altering technology on the public Google and Facebook decided that a tool to identify strangers was too radical to release but Clearview forged ahead sharing the app with private investors pitching it to businesses and offering it to thousands of law enforcement agencies around the world Facial recognition technology has been quietly growing more powerful for decades

This technology has already been used in wrongful arrests in the United States Unregulated it could expand the reach of policing as it has in China and Russia to a terrifying dystopian level Your Face Belongs to Us is a gripping true story about the rise of a technological superpower and an urgent warning that in the absence of vigilance and government regulation Clearview AI is one of many new technologies that challenge what Supreme Court Justice Louis Brandeis once called the right to be let alone
