**Dem Dry Bones** Luke A. Powery, 2012-12-01 In an age when the so called prosperity gospel holds sway in many Christian communities or the good news of Christ is reduced to feel good bromides it would seem that death has little place in contemporary preaching Embracing the vision of the valley of dry bones in Ezekiel 37 as a metaphor for preaching in the Spirit acclaimed homiletician Luke Powery asserts that death is the context for all preaching In fact the Spirit leads preachers to the context of death each Sunday in order to proclaim a word of life that ultimately breathes hope into people s lives Yet many preachers avoid death because they are at a loss of what to say about it and do not realize its vital connection to the substance of Christian hope As a result the church is too often left with sermons that are fundamentally devoid of hope Dem Dry Bones aims to remedy some of the theological and homiletical shortcomings in contemporary preaching by looking closely at the African American spirituals tradition Through this study Powery demonstrates how to preach in the Spirit so that proclaiming death becomes an avenue toward hope In short no death no hope

Contemporary African American preaching P3040 , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression

Down Deep in My Soul Nutt, Maurice J., CSsR,2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition

**Preaching That Makes the Word Plain** William Clair Turner Jr.,2008-03-15 This work includes essays in preaching method and a series of sermons on Romans 10 a mini treatise on preaching It reflects on the tasks of preaching and teaching preaching as a form of communication that is critical to the life of the church Despite the numerous existing volumes useful texts are still needed The quest is for methods of preparation that can be applied with consistency and that suggest habits for labor which can be tedious or cause tasteless outcomes The volume is intended as a contribution to replenishing voices that already have spoken ably and eloquently It is located in the praxis of one who preaches with weekly regularity while at the same time teaching homiletics It aims at absorbing and synthesizing proven methods while relating them to a generation that lives in the tensions of faithfulness to the gospel of Jesus Christ the decline of a Christian consensus in the culture the rise of secularism and competition from other religions Added to that is the challenge of vying for space in the public sphere with countless social prophets such as talk show hosts radio commentators screen writers and entertainers with various agendas What one finds in the following pages is a venture of service to the newly called the fledgling preachers the veterans as well as those who teach It dares to challenge proverbs like It is better caught than taught or Those who know don t tell and those who tell don t know It risks a word in an attempt to speak reflectively about a task that is daunting to the novice and as near to a veteran as a second skin It is a brazen attempt to step out of comfortable skin to tell another how it feels from the inside It hazards a gesture to say how to do the work with confidence without becoming arrogant How do you scratch the pad or go to a blank computer screen from week to week By what means does one glean and give a fresh word before the exhaustion of delivering the last word has abated Web sites that supply sermons are in the public domain and can easily be discovered The challenge for those who mount the pulpit from week to week does not relent The labor reflected in these pages is born of the bias that all preaching can be improved with study reflection and critical assistance

**Handbook of Contemporary Preaching, 2nd Edition** Michael Dudoit,2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching

**Spirit Speech** Dr. Luke A. Powery,2010-10-01 That the Holy Spirit is present in preaching is something we take for granted How the Spirit is present is a question we seldom ask Luke Powery suggests that we fail to ask that question to the detriment of our preaching Drawing on the tradition of African American preaching he locates the Spirit s activity in

the sermon in two primary places First in celebration the joyous acceptance of God's gifts to the church and to the world But equally as powerful is the expression of lament the lifting up of our sorrow grief and suffering In these two experiences the Spirit plays the decisive role enabling the preacher to lay the congregation's joys and sorrows at the feet of the living God and announcing God's presence in both our celebration and our lament *Telling the Truth* John S. McClure, Nancy Jean Ramsay, 1998 Every congregation in North America has victims survivors and perpetrators of violence in its midst Many in the church while supporting marital and family connections do not know how to address abuse Many ministers are searching for theological and ethical perspectives with which to frame an effective pulpit teaching and pastoral ministry *Telling the Truth* assembles the wisdom of experts from across disciplines and denominations Biblical and theological issues are analyzed by Johanna Van Wijk Bos Shawn Copeland and Wendy Farley Pastoral resources are presented by Marie M Fortune James Poling Nancy Ramsay and David Goatley Preaching strategies are discussed by Barbara Patterson and John S McClure Four sermons are also included to provide effective models for ministering against sexual and domestic violence

*Preaching God's Transforming Justice* Ronald J. Allen, Dale P. Andrews, Dawn Ottoni Wilhelm, 2012-01-01 A unique lectionary commentary focusing on matters of social justice *Believing in Preaching: what Listeners Hear in*, **A Sermon Workbook** Leonara Tubbs Tisdale, Thomas H. Troeger, 2013-10-15 Both experienced and novice preachers need a new approach for sermon development skill building *A Sermon Workbook* offers a unique and flexible resource that is instantly accessible and useful for anyone tasked with the proclamation of the Word The workbook format can be used in a linear fashion beginning to end Or readers can pick and choose the chapters to tailor fit their own needs In either case readers build skill upon skill working through inventive and engaging exercises first developed and taught at Yale Divinity School The book addresses the skills and arts that are essential for effective preaching in our multi tasking multi ethnic sound bite society It offers theological clarity about why we preach and what matters most The creative collaborative and charming authors present the principles as they do in their classroom in two voices one male and one female with the two complementing and supporting one another *The Naked Preacher* Jason C. Boyd, 2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author's own research within a specific community of practice *The Naked Preacher* demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection
