How To Be German In 50 Easy Steps:

How to be German in 50 easy steps Adam Fletcher, 2013-07-10 Breakfast lavishly pre book all your holidays years in advance dress sensibly and obey the red man How to be German presents all the little absurdities that make living in Germany such a pleasure It s required reading for all Ausl nder and for Germans who sometimes have the feeling they don t understand their own country We learn why the Germans speak so freely about sex why they are so obsessed with Spiegel Online and why they all dream of being naked in a lake of Apfelsaftschorle At the end the only thing left to say to Adam Fletcher s love letter to Germany is Alles klar This e book is also available in German *Wie man Deutscher wird in 50 einfachen Schritten* Eine Anleitung von Apfelsaftschorle bis Tsch ss The printed edition has been published as a bilingual turn around book **Wie Man Deutscher Wird in 50 Einfachen Schritten / How to be German in 50 Easy Steps**

Adam Fletcher, 2023-04-30 *The Cultural Defense of Nations* Liav Orgad, 2015-11-05 The Cultural Defense of Nations presents a timely thought provoking thesis on some of the most pressing issues of our time global immigration majority groups and national identity Never in human history has so much attention been paid to human movement Global migration yields demographic shifts of historical significance profoundly shaking up world politics as has been seen in the refugee crisis the Brexit referendum and the 2016 U S election The Cultural Defense of Nations addresses one of the greatest challenges facing liberalism today is a liberal state justified in restricting immigration and access to citizenship in order to protect its majority culture Liberal theorists and human rights advocates recognize the rights of minorities to maintain their unique cultural identity but assume that majorities have neither a need for similar rights nor a moral ground for defending them The majority culture so the argument goes can take care of itself However with more than 250 million immigrants worldwide majority groups increasingly seek to protect what they consider to be their national identity In recent years liberal democracies have introduced proactive immigration and citizenship policies that are designed to defend the majority culture This book shifts the focus from the prevailing discussion of cultural minority rights and for the first time addresses the cultural rights of majorities It proposes a new approach by which liberal democracies can welcome immigrants without fundamentally changing their cultural heritage forsaking their liberal traditions or slipping into extreme nationalism Disregarding the topic of cultural majority rights is not only theoretically wrong but also politically unwise With forms of majority nationalism rising and the growing popularity of extreme right wing parties in the West time has come to liberally address the new challenge
