Gaynes, 1983 **Mass Communication Law in a Nutshell** T. Barton Carter, 1994 The First Amendment and Mass Communications The First Amendment in Perspective Defamation and Mass Communications Privacy and the Mass Media Restraint of Obscene Expression Restraint of the Press for Purpose of National Security Free Press vs Fair Trial Freedom to Gather News and Information Newsmen's Privilege Subpoenas Contempt Citations and Searches and Seizures Regulation of Commercial Speech Regulation of the Electronic Mass Media The FCC What It Does and Does Not Do FCC Control of Broadcast Operations Cable and New Technologies

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Mass Media Revolution J. Charles Sterin, Tameka Winston, 2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards **The New**

American Political System Anthony King, 1990 Everything is new in this second version of AEI's all time bestseller which brings coverage of the vital trends in American political life up to the present *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1978 *The Art of Editing in the Age of Convergence* Brian S. Brooks, James L.

Pinson, 2017-07-28 *The Art of Editing in the Age of Convergence* remains the most comprehensive and widely used text on editing in journalism This latest edition continues to shift the focus toward online multimedia as more and more people get their news that way Amid these changes the authors continue to stress the importance of taking the best techniques learned in print and broadcast editing and applying them to online journalism The reality is that most people now often first learn of breaking news on Facebook or Twitter and therefore the challenge for journalists in this new media world is distinguishing the quality and dependability of their work from all the fake news and propaganda memes now so common online This book is designed to help serious news providers produce a product that is well edited and grounded in the best practices of journalism *Routledge Revivals: Radio Broadcasting from 1920 to 1990* (1991) Diane Foxhill Carothers, 2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical

complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand

Laws of Our Fathers Ray Broadus Browne,1986 The essays in this book trace many of the multitudinous forces at work on the Constitution and in the popular culture and show how the forces control and benefit each other The subject is of profound importance and beginning with these essays needs to be studied at great length for the benefit of us all
