and U.S. Imprisonment*

JAMES SAMUEL LOGAN

Good Punishment Christian Moral Practice And U S Imprisonment

Matthew Ichihashi Potts

Good Punishment Christian Moral Practice And U S Imprisonment:

Good Punishment? James Samuel Logan, 2008-01-02 The author critiques the American obsession with imprisonment as punishment calling it retributive degradation of the incarcerated His analysis draws on both salient empirical data and material from a variety of disciplines social history anthropology law and penal theory philosophy of religion as he uncovers the devastating social consequences both direct and collateral of imprisonment on such a large unprecedented scale The book develops a Christian social ethics of good punishment embodied as a politics of healing memories and ontological intimacy

Witnessing Whiteness Kristopher Norris, 2020-05-20 *Witnessing Whiteness* identifies the roots of white supremacy within the Christian church s theology and practice and argues that the white church has a particular and fundamental responsibility to address it Employing the shared resources of white traditionalist witness theology and black liberationist theology and attending to the criticisms liberation theology directs at traditionalism it proposes concrete practices to challenge the white church s and white theology s complicity in white supremacy

Forgiveness Matthew Ichihashi Potts, 2022-11-22 A deeply researched and poignant reflection on the practice of forgiveness in an unforgiving world In this sensitive and probing book Matthew Ichihashi Potts explores the complex moral terrain of forgiveness which he claims has too often served as a salve to the conscience of power rather than as an instrument of healing or justice Though forgiveness is often linked with reconciliation or the abatement of anger Potts resists these associations asserting instead that forgiveness is simply the refusal of retaliatory violence through practices of penitence and grief It is an act of mourning irrevocable wrong of refusing the false promises of violent redemption and of living in and with the losses we cannot recover Drawing on novels by Kazuo Ishiguro Marilynne Robinson Louise Erdrich and Toni Morrison and on texts from the early Christian to the postmodern era Potts diagnoses the real dangers of forgiveness yet insists upon its enduring promise Sensitive to the twenty first century realities of economic inequality colonial devastation and racial strife and considering the role of forgiveness in the New Testament the Christian tradition philosophy and contemporary literature this book heralds the arrival of a new and creative theological voice

Saved by Faith and Hospitality Joshua W. Jipp, 2017-08-21 Too few Christians today says Joshua Jipp understand hospitality to strangers and the marginalized as an essential part of the church s identity In this book Jipp argues that God s relationship to his people is fundamentally an act of hospitality to strangers and that divine and human hospitality together are thus at the very heart of Christian faith Jipp first provides a thorough interpretation of the major biblical texts related to the practice of hospitality to strangers considering especially how these texts portray Christ as the divine host who extends God s welcome to all people Jipp then invites readers to consider how God s hospitality sets the pattern for human hospitality offering suggestions on how the practice of welcoming strangers can guide the church in its engagement with current social challenges immigration incarceration racism and more

Compassionate Justice Christopher D. Marshall, 2012-08-01 Two parables that have become firmly lodged in popular

consciousness and affection are the parable of the Good Samaritan and the parable of the Prodigal Son. These simple but subversive tales have had a significant impact historically on shaping the spiritual, aesthetic, moral, and legal traditions of Western civilization, and their capacity to inform debate on a wide range of moral and social issues remains as potent today as ever. Noting that both stories deal with episodes of serious interpersonal offending and both recount restorative responses on the part of the leading characters, *Compassionate Justice* draws on the insights of restorative justice theory, legal philosophy, and social psychology to offer a fresh reading of these two great parables. It also provides a compelling analysis of how the priorities commended by the parables are pertinent to the criminal justice system today. The parables teach that the conscientious cultivation of compassion is essential to achieving true justice. Restorative justice strategies, this book argues, provide a promising and practical means of attaining to this goal of reconciling justice with compassion.

Love in a Cauldron of Misery Kirk Blackard, 2012-09-27 Christians are called to minister to people in prison. But most know next to nothing about prisons, the needs of the people in them, or the biblical basis for addressing those needs. *Love in a Cauldron of Misery* fills that void. This book provides a brief historical perspective that orients the reader and a discussion, mainly in the words of people with real experience of what prisons and prisoners are really like and why the need for ministry is so great. It then explores the biblical charge for Christians to meet these needs and discusses ways in which they can do so. *Love in a Cauldron of Misery* is an invaluable resource for any pastor, teacher, or lay person who is participating in considering or just wants to know more about prison ministry.

Chaplaincy E. Dean Cook, 2010-05 This book takes us beyond the usual writings about religious ministry. It invites us into closed communities, some more closed than others, and allows us to observe the day-to-day crisis ministries in which the chaplains are engaged. We visit battlefields, prisons, hospitals, hospice settings, college campuses, veterans' centers, and retirement facilities. The writer draws some interesting conclusions about the uniqueness of the chaplaincy and what the greater church can learn from this growing model.

The Dialogic Evangelical Theology of Veli-Matti Kärkkäinen Peter Goodwin Heltzel, Patrick Oden, Amos Yong, 2022-02-21 In this book, established scholars from different religions, regions, and disciplines continue the dialogue that Veli-Matti Kärkkäinen began in his *A Constructive Christian Theology for the Pluralistic World* series and respond to his work in light of their diverse expertise and context. Each of the three parts focuses on a key area of Kärkkäinen's engaging work: 1. highlighting how his method shaped each volume; 2. highlighting his commitment to global perspectives; and 3. highlighting his interreligious and interdisciplinary dialogue partners. Together, these essays seek to deepen and extend the impact of Kärkkäinen's work, taking it seriously as a substantive model for contemporary systematic theology in listening and engaging with this world.

The Last Judgment Andrew Skotnicki, 2016-03-03 In a culture obsessed with law, judgment, and violence, this book challenges Christians to remember that Jesus urged his followers to judge no one, bring harm upon no one, and follow no law save the law of altruistic love. It traces Christian history first to show that Christians of an earlier age took very seriously the gospel injunctions against

punitive legal judgment and then how the advent of formal legal codes and philosophical dualism undermined that perspective to create a division between a private Christian spirituality and a public morality of order and legally sanctioned violence This historical approach is accompanied by an argument that the recovery of a Christian ethic based upon unconditional love and forgiveness cannot be accomplished without the renewal of a Christian spirituality that mirrors the contemplative spirituality of Jesus

Break Every Yoke Joshua Dubler, Vincent W. Lloyd, 2020 Changes in the American religious landscape enabled the rise of mass incarceration Religious ideas and practices also offer a key for ending mass incarceration These are the bold claims advanced by Break Every Yoke the joint work of two activist scholars of American religion Once in an era not too long past Americans both incarcerated and free spoke a language of social liberation animated by religion In the era of mass incarceration we have largely forgotten how to dream and organize this way To end mass incarceration we must reclaim this lost tradition Properly conceived the movement we need must demand not prison reform but prison abolition Break Every Yoke weaves religion into the stories about race politics and economics that conventionally account for America's grotesque prison expansion of the last half century and in so doing it sheds new light on one of our era's biggest human catastrophes By foregrounding the role of religion in the way political elites religious institutions and incarcerated activists talk about incarceration Break Every Yoke is an effort to stretch the American moral imagination and contribute resources toward envisioning alternative ways of doing justice By looking back to nineteenth century abolitionism and by turning to today's grassroots activists it argues for reclaiming the abolition spirit

Radical Sufficiency Christine Firer Hinze, 2021-02-01 In this timely book Christine Firer Hinze looks back at Monsignor John A. Ryan's American Catholic defense of worker justice and a living wage advancing his efforts for an action oriented livelihood agenda that situates US working families economic pursuits within a comprehensive commitment to sustainable radical sufficiency for all

Trinity and Transformation Todd Speidell, 2016-03-08 The triune God of grace James B. Torrance tirelessly insisted is the true agent to transform worship mission and society Unfortunately the church often lapses into moralism and legalism or exhortations and condemnations rather than witnessing to the sole sufficient grace of God in Christ When we neglect the Trinity a de facto unitarianism throws the church back onto its own existence and resources In Christ however the church participates through the Spirit in union with Christ's communion with the Father By so doing it also participates in Christ's mission to the world The essays of this volume articulate and extend Torrance's evangelical theology which draws attention away from ourselves and toward the triune God who is for us and for the world

Silencing White Noise Willie Dwayne Francois, III, 2022-08-16 Publishers Weekly starred review A superior volume on Christian antiracism Publishers Weekly Racism is omnipresent in American life both public and private We are immersed in what prominent faith leader Willie Dwayne Francois III calls white noise the racist speech ideas and policies that lull us into inaction on racial justice White noise masks racial realities and prevents constructive responses to microaggressions structural inequality and overt interpersonal racism In this book

Francois calls people of all racial backgrounds to take up practices that overcome silence and inaction on race and that advance racial repair Drawing from his anti racism curriculum the Public Love Organizing and Training PLOT Project Francois encourages us to move from a colorblind stance of mythic innocence to one that takes an honest account of our national history and acknowledges our complicity in racism as a prelude to anti racist interventions Weaving together personal narrative theology and history this book invites us to engage 6 rhythms of reparative intercession These are six practices of anti racism that aim to repair harm by speaking up and acting up on behalf of others *Silencing White Noise* offers concrete ways to help people wrest free from the dangers of racism and to develop lifelong Christian anti racist practices

Violence, Transformation, and The Sacred: "They shall be called Children of God" Margaret Pfeil and Tobias L. Winright, 2012

If These Walls Could Talk Maureen H. O'Connell, 2012 *If These Walls Could Talk* explores the theological and social significance of Philadelphias community muralism movement a groundswell of public art that is transforming the City of Brotherly Love into the Mural Capital of the World It calls attention to the narratives behind some of the citys 2 800 wall sized canvases in ghettos and on schools on mosques and in jails in courthouses and along overpasses in order to illustrate the way in which the arts can help us to travel the emotional intellectual and relational distance necessary to arrive at creative responses to the seemingly inescapable problems of urban poverty

A Breath of Fresh Air Amelia C. Boomershine, 2017-03-28 *Breath of Fresh Air* Biblical Storytelling with Prisoners challenges the behemoth of mass incarceration through the convergence of biblical storytelling pedagogy restorative justice principles and peacemaking circle structure Circle of the Word is an interactive creative process of engagement with biblical stories It is a spiritual intervention that addresses an American criminal justice system that is retributive discriminatory and out of control Boomershine reports on the impact of Circle of the Word for incarcerated men and women and grounds Circle of the Word in a multifaceted foundation the study of the Bible as performance literature the history of prison reform in Enlightenment England the doctrine of the Word of God and the development of hope theory Since the purpose of the book is both advocacy and empowerment a how to chapter is included with details for implementation Participation in Circle of the Word has proven to be a transformative experience for men and women directly impacted by mass incarceration discovering community in the midst of isolation and hope in the midst of despair

Beyond Old and New Perspectives on Paul Chris ed Tilling, 2014-11-27 New Testament studies are witnessing many exciting developments and Douglas Campbell s groundbreaking publications offer an important contribution to future discussions about Paul Campbell tackles familiar problems relating to justification old and new perspectives and much more besides in fresh and exciting ways In doing so he sets down one profound challenge after another to all those involved in Pauline studies As a consequence his work demands extended and serious deliberation This book seeks to facilitate academic engagement with Campbell s work in a unique way It contains chapters summarizing key themes in his thinking reflections from friendly critics that aim to challenge or extend

his ideas and his own response to these interlocutors In this way the book allows readers to be drawn into a vitally important conversation It is academic theology in the making and constitutes a cutting edge in Pauline studies *God's Beauty* Patrick T. McCormick, 2012 What if we began our study of Christian ethics not with an examination of our moral duties but with an exploration of the call of beauty For like justice beauty generates a call to a larger more generous self In *God's Beauty* Patrick McCormick asks How does the beauty of the righteous community manifest the glory of God How can we imitate and improve this beauty by reforming our own societies What fundamental need and right do all of us especially the poor have to experience and create beauty in our lives and communities Why is it also essential to our own humanity that we recognize and treasure the beauty of the stranger alien and foe and resist every effort to render these unrecognized neighbors ugly McCormick offers a fresh positive approach to moral arguments calling us to work for social justice Instead of laying out the evils of failing to work for justice protect human rights overcome alienation and hostility or tend to the earth *God's Beauty* focuses on the calling of divine beauty summoning us to be tenders and creators of beauty **Thinking Theologically about Mass Incarceration** Antonios Kireopoulos, Mitzi J. Budde, Matthew D. Lundberg, 2017 This book is the fruit of a multi year dialogue among Christian churches in the United States addressing from theological perspectives mass incarceration as an issue in need of radical reform **Connections: Year A, Three-Volume Set** Joel B. Green, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, Thomas G.
