

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

Goodness Had Nothing To Do With It:

Goodness Had Nothing to Do With It Lucy Monroe, 2005 Funny sexy and full of heart this follow up to Monroe's Come Up and See Me Sometime reunites two former lovers who both have secrets to hide Original Movie Censorship and American Culture Francis G. Jewish and Muslim perspectives to show the relevance and prominence of Adam and Eve s story in life today where we are inundated with references to the Garden of Eden in popular culture from an early age *Mae West* Jill Watts,2003-04-17

Why don t you come up and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen s most popular and colorful stars Exploring West s penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own

African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West s life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image

American Fun John Beckman,2014-02-04 Here is an animated and wonderfully engaging work of cultural history that lays out America s unruly past by describing the ways in which cutting loose has always been and still is an essential part of what it means to be an American From the time the Pilgrims landed at Plymouth Rock Americans have defied their stodgy rules and hierarchies with pranks dances stunts and wild parties shaping the national character in profound and lasting ways In the nation s earlier eras revelers flouted Puritans Patriots pranked Redcoats slaves lampooned masters and forty niners bucked the saddles of an increasingly uptight middle class In the twentieth century fun loving Americans celebrated this heritage and pushed it even further flappers barney mugged in petting pantries Yuppies showered the New York Stock Exchange with dollar bills and B boys invented hip hop in a war zone in the Bronx This is the surprising and revelatory history that John Beckman recounts in American Fun Tying together captivating stories of Americans pursuit of happiness and distinguishing between real risky fun and the bland amusements that paved the way for Hollywood Disneyland and Xbox Beckman redefines American culture with a delightful and provocative thesis With black and white illustrations throughout

Beauty and the Beast Stella Wallace,1997-09 **The Arc of the Moral Universe and Other Essays** Joshua Cohen,2010 In this collection of essays Joshua Cohen locates ideas about democracy in three far ranging contexts First he explores the relationship between democratic values and history He then discusses democracy in connection with the views of defining political theorists in the democratic tradition John Locke John Rawls Noam Chomsky Juergen Habermas and Susan Moller Okin Finally he examines the place of democratic ideals in a global setting suggesting an idea of global public reason a terrain of political justification in global politics in which shared reason still plays an essential role All the essays are linked by his overarching claim that political philosophy is a practical subject intended to orient and guide conduct in the social world Cohen integrates moral social scientific and historical argument in order to develop this stance and he further confronts the question of whether a society conceived in liberty and

dedicated to equality can endure At Gettysburg President Lincoln forcefully stated the question and expressed both hope and concern over this same struggle about an affirmative answer By enabling us to trace the arc of the moral universe the essays in this volume along with the companion collection Philosophy Politics Democracy give us some reasons for sharing that hope

The Mbuji Juju Gary Towner, 2011-11-01 American Johnny Walker an apparent African barfly has an irreverent caustic way about him When he meets the naïve sometimes comical Harlow it is not under the best of circumstances Harlow has narrowly escaped the clutches of the local police who have taken offence to the prospect of a feature expos on them she plans to write for her daddy's newspaper The corrupt and immoral cops have plans to throw her in a jail that makes bug infested Mexican hoosgow seem tame in comparison Understandably Harlow needs to leave town post haste She is drawn to Walker who has the only airplane that hasn't been overbooked Walker finds Harlow's plight comical and he initially tells her to get lost But when he is falsely accused of murder he leaps out a second story window taking a very reluctant Harlow with him He later consoles Harlow by telling her he will be flying south and she is welcome to accompany him Though Harlow agrees the two bicker continually Walker makes her pay dearly for her decision by his unrelenting sexual innuendos In the harrowing life threatening adventures to follow the two strike a shaky truce But Harlow is mortified when Walker cons her into abetting him as he chases after an incredible illegal diamond stash in an old abandoned mine Once inside evidence of World War II Nazi delves into the occult and modern day Nazi conspiracies lead the two to believe the authoritarian historical accounts of how and when Hitler was killed will have to be re written Suddenly the whole mountain exploded The

problem now was as the stalactites began to fall and the lava of an emerging volcano crept ever closer how the dickens were they going to live long enough for Harlow to write about their findings and maybe get a Pulitzer prize for the effort
