, 1926 An Introduction to the Policy Process Thomas A. Birkland, 2019-07-23 A concise accessible introduction to the public policy process that can be read on many levels. The author's direct writing style and extensive use of examples will appeal to students as well as practitioners. The book offers an extensive overview of the best current thinking on the policy process with an emphasis on accessibility and synthesis rather than novelty or abstraction. An extensive glossary of terms keyed to the chapters in which each term is most thoroughly discussed, an annotated bibliography and an introduction to web-based research with a guide to the most important and reliable public policy research sites are among the book's many useful features. Measuring and Analyzing Informal Learning in the Digital Age Mejiuni, Olutoyin, Cranton, Patricia, Táíwò,

Olúfẹ̀mí, 2015-04-30 In the twenty-first century learning and the definition of education is changing. New digital online and social tools have the ability to transform the classroom and engage learners like never before. In the midst of this technological revolution it is crucial for educators and administrators to be able to gauge the impact of digital tools on learners in a variety of settings. *Measuring and Analyzing Informal Learning in the Digital Age* addresses the need for educators, administrators and professionals across industries to be more attentive to the learning process outside of a traditional classroom setting. As online learning and MOOCs in particular become more mainstream tracking informal learning becomes difficult despite the necessity of feedback and measurement in non-formal learning environments. Investigating some of the primary technologies being used in educational settings and how a less structured and more open learning environment can effectively motivate students and non-traditional learners, this premier reference is a crucial source of information for educators, administrators, theorists and other professionals in the field of education. *The Monthly*
