Heavy Rain Renew The Church Transform The World:

Heavy Rain Kris Vallotton, 2010-10-07 We owe the world an encounter with God We In the midst of the darkest epoch season in human history Jesus Christ had the audacity to teach us a prayer so powerful that it defies human reason It would be forever remembered as The Lord s Prayer Jesus turned to his tattered brigade of spiritual warriors and said Pray that My Father s kingdom would come and His will be done on Earth as it is in Heaven Was this prayer a sort of wish upon a star intended to be prayed by billions but only to be experienced by a few in some distant eternity Is the earth eroding or is it evolving Is global warming the beginning of the intense heat that will reduce our world to a hot rock spinning hopelessly through space Will evil finally triumph over good leaving terrorism to ravage the righteous rape the innocent and pillage our children Will some maniac dictator finally push the button and blow us into obliteration The purpose of this book is to unearth the ancient mysteries that answer these questions and prepares the Church for a revolution that transforms every realm of society God wants heaven to invade earth so that earth will look like heaven God is reforming the Church moving believers from denominationalism to apostolic families where true spiritual leaders don t control people but empower people to find their God given destiny

School of the Prophets Workbook Kris Vallotton, 2025-08-05 The Essential Guide for Prophets critical training for prophetic ministry foundational truths no prophet should ignore perfect for small groups or individuals Few topics in the Church today are as crucial compelling and controversial as the roles of modern day prophets and prophetic ministry In this definitive guide bestselling author Kris Vallotton offers often neglected foundational teachings and provides critical advanced training including how to discern your calling and grow in your gift define your divinely appointed sphere of influence and depth of authority recognize the six different types of prophets and how to deal with false ones navigate potential relational difficulties as you step into your gifting understand the complex ways God communicates prepare for the common but dangerous spiritual attacks prophets face Whether you are studying on your own or with a small group Bible study or church class this workbook offers bonus reading material discussion questions Scripture studies video guides and more You can be part of this vital beautiful supernatural ministry Are you ready

Spirit Wars Kris Vallotton, 2012-01-01 You know the battle is raging but are you fighting the right enemy Just as enemies fought Joshua in the Promised Land and Nehemiah faced opposition as he rebuilt the walls of Jerusalem our enemy will fight us as we approach the spiritual terrain God has promised us Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle But you can prevail in freedom and joy Sharing his deeply personal story of demonic bondage torment and ultimate deliverance pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head He reveals the diabolical lies and strategies of the enemy attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it No more Now you can win the invisible battle against sin and the enemy Victory is within your grasp Will you take hold It is with great excitement that I recommend this book to you

Clay Jackson MD DipTh,2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts **Spirit Wars** Kris Vallotton,2013-01-24 **The Tunbridge World's Fair** Euclid Farnham,2008-09-08 Since its opening in 1867 the Tunbridge World s Fair has drawn hundreds of thousands of people to its one of a kind event showcasing the best of regional agriculture and entertainment The fair originally intended to determine who owned the fastest horse or best looking cow began as an improvised event in farmer Elisha Lougee s North Tunbridge pasture and
