Joan Druett

Hen Frigates Wives Of Merchant Captains Under Sail:

Hen Frigates Joan Druett,1999-05-04 A hen frigate is any boat with the captain s wife on board This is their story of life on the high seas **Wives - Mothers - Daughters - Widows** Sue Appleby,2024-06-28 Appleby examines the lives of the Cornish women who went to the Caribbean colonies filling a gap in the literature of the Cornish diaspora which previously focused on the male dominated mining industry in the USA Australia and South Africa **Daily Life in the Age of Sail** Dorothy Volo,James M. Volo,2001-11-30 From the Thirteenth century through the Nineteenth the waterways of the world provided the major means of transportation for exploration trade the military and even criminals Find out what life was like for those who chose to sail the high seas as well as for those who didn t choose to be on board like wives brought to sea by husbands and slaves en route to the auction block What were their quarters like What did they eat How did they pass their long days at sea These and other questions are answered in animated prose that brings the lives of ordinary people who oftentimes engaged in extraordinary activities into sharp focus First hand accounts from such sources as personal journals and magazine articles are provided to help bring the time period alive Students will also learn what life was like in the seaport towns and what the sailors did when they visited these towns as well as the physical parts of the ships and the different roles different members of the crew played This engaging history helps to separate fact from fiction while exploring the reasons the sea and sea life have held such prominent roles in popular fiction and will help students understand what life was truly like for these people **Seafaring Women** David Cordingly,2002-03-12 For centuries the sea has been regarded as a male domain but in this illuminating historical narrative maritime scholar David Cordingly shows that an astonishing number of women went to sea in the great age of sail Some traveled as the wives or mistresses of captains others were smuggled aboard by officers or seamen And Cordingly has unearthed stories of a number of young women who dressed in men s clothes and worked alongside sailors for months sometimes years without ever revealing their gender His tremendous research shows that there was indeed a thriving female population from pirates to the sirens of myth and legend on and around the high seas A landmark work of women s history disguised as a spectacularly entertaining yarn *Women Sailors and Sailor s Women* will surprise and delight *Brooklyn's Renaissance* Melissa Meriam Bullard,2017-06-05 This book shows how modern Brooklyn s proud urban identity as an arts friendly community originated in the mid nineteenth century Before and after the Civil War Brooklyn s elite many engaged in Atlantic trade established more than a dozen cultural societies including the Philharmonic Society Academy of Music and Art Association The associative ethos behind Brooklyn s fine arts flowering built upon commercial networks that joined commerce culture and community This innovative carefully researched and documented history employs the concept of parallel Renaissances It shows influences from Renaissance Italy and Liverpool then connected to New York through regular packet service like the Black Ball Line that ferried people ideas and cargo across the Atlantic Civil War disrupted Brooklyn s Renaissance The city directed energies towards war relief efforts

and the women's Sanitary Fair The Gilded Age saw Brooklyn's Renaissance energies diluted by financial and political corruption planning the Brooklyn Bridge and consolidation with New York City in 1898

Native American Whalemens and the World Nancy Shoemaker, 2015-04-27 In the nineteenth century nearly all Native American men living along the southern New England coast made their living traveling the world's oceans on whaleships Many were career whalemens spending twenty years or more at sea Their labor invigorated economically depressed reservations with vital income and led to complex and surprising connections with other Indigenous peoples from the islands of the Pacific to the Arctic Ocean At home aboard ship or around the world Native American seafarers found themselves in a variety of situations each with distinct racial expectations about who was Indian and how Indians behaved Treated by their white neighbors as degraded dependents incapable of taking care of themselves Native New Englanders nevertheless rose to positions of command at sea They thereby complicated myths of exploration and expansion that depicted cultural encounters as the meeting of two peoples whites and Indians Highlighting the shifting racial ideologies that shaped the lives of these whalemens Nancy Shoemaker shows how the category of Indian was as fluid as the whalemens were mobile

Emma Corbett Samuel Jackson Pratt, 2011-12-30 Set both in England and in America Emma Corbett is the moving story of a family torn apart by the American revolutionary war Edward Corbett and Henry Hammond are brought up together and go on to marry each other's sisters but fight on opposite sides in the war Emma Corbett Edward's sister follows Henry to Pennsylvania Disguised as a man she fights for the British before finding Henry and saving his life but the war and its aftermath have tragic consequences for all four young people This powerful epistolary novel was a transatlantic best seller in part because both sides of the conflict are fully represented as are the miseries and terrible costs of war Appendices include contemporary reviews as well as contemporary writings on heroism sensibility and women and war A series of personal letters between Pratt writing as Courtney Melmoth and Benjamin Franklin for whom he worked in France are also included

The View from the Masthead Hester Blum, 2012-09-01 With long solitary periods at sea far from literary and cultural centers sailors comprise a remarkable population of readers and writers Although their contributions have been little recognized in literary history seamen were important figures in the nineteenth century American literary sphere In the first book to explore their unique contribution to literary culture Hester Blum examines the first person narratives of working sailors from little known sea tales to more famous works by Herman Melville James Fenimore Cooper Edgar Allan Poe and Richard Henry Dana In their narratives sailors wrote about how their working lives coexisted with indeed mutually drove their imaginative lives Even at leisure they were always on the job site Blum analyzes seamen's libraries Barbary captivity narratives naval memoirs writings about the Galapagos Islands Melville's sea vision and the crisis of death and burial at sea She argues that the extent of sailors literacy and the range of their reading were unusual for a laboring class belying the popular image of Jack Tar as merely a swaggering profane or marginal figure As Blum demonstrates seamen's narratives propose a method for aligning

labor and contemplation that has broader applications for the study of American literature and history

Traveling Beyond Her Sphere Bess Beatty, 2016-09-08 A history of American women challenging domesticity by touring Europe in the 19th and early 20th centuries The nineteenth century ideal of domesticity identified home as women's proper sphere but the ideal was frequently challenged profoundly so when women left home and country to travel in foreign lands This book explores the reasons for and ramifications of women making a Grand Tour a trip to Europe between 1814 and 1914 this century between major European wars witnessed the golden age of American Grand Tours Men and women alike were inspired by a Euro centric education that valued the Old World as the fountainhead of their civilization Reaching Europe necessitated an Ocean crossing a disorienting time taking women far from domestic comfort Once abroad American women had to juggle accustomed norms of behavior with the demands of travel and customs of foreign lands Wearing proper attire even when hiking in the Alps coping with unfamiliar languages grappling with ever changing rules about customs and passports traveling alone these were just some of the challenges women faced when traveling Some traveled with their husband others with female relatives and friends and a few entirely alone Traveling companions had to agree on where to stay when and where to dine how to travel and where to go The sinking of the Titanic in 1912 made clear that even in the twentieth century a Grand Tour involved risk Because more women survived than men some insisted that the Titanic's example should curb female independence However a growing number of women continued making a Grand Tour for the next two years It was the outbreak of war in Europe in 1914 that temporarily brought an end to a century of female Grand Tours Beatty's ability to weave the experiences of hundreds of American women on the Grand Tour in Europe into a consistent narrative is per se a remarkable feat But the author does much more than that She uses the journey as trope to represent the long and difficult process of women's emancipation in its several cultural psychological social and political dimensions Susanna Delfino Professor of American History retired University of Genoa Italy

An Improper Proposal Patricia Cabot, Meg Cabot, 2015-01-06 A fearless young woman scandalously pursues the captain of her heart in this adventuresome Victorian romance England 1830 Swashbuckling beauty Payton Dixon has two passionate dreams to sail the open sea on her own clipper ship and to capture the love of Captain Connor Drake But both seem impossibly out of reach since her beloved captain is about to marry another and worse he's been given her ship as a wedding present from her traitorous father Out to prove she has right on her side Payton manages to unleash a scandal and ignite all sorts of trouble As for Drake he's surprised to discover that the girl he's grown up with has transformed into the most alluring woman he's ever encountered

A Century of Maritime Science Jennifer Hubbard, David Wildish, Robert Stephenson, 2016-01-01 A Century of Maritime Science reviews the fisheries environmental oceanographic and aquaculture research conducted over the last hundred years at St Andrews from the perspective of the participating scientists

A Foreign Voyage John T. Grider, 2017-04-24 JOHN GRIDER joined the Institute for Reconciliation and Social Justice at the University of the Free State

as a Research Fellow in November 2015 He recently completed this captivating project which investigates the complex interplay between gender class and race sourced from the narratives of men who found themselves working in the transforming Pacific maritime industry during the mid nineteenth century **The Chinese Lady** Nancy E. Davis,2022 In 1834 a Chinese woman named Afong Moy arrived in America as both a prized guest and an advertisement for a merchant firm a promotional curiosity with bound feet and a celebrity used to peddle exotic wares from the East This first biography of Afong Moy explores how she shaped Americans impressions of China while living as a stranger in a foreign land

Encyclopedia of Kitchen History Mary Ellen Snodgrass,2004-12-29 First published in 2005 Routledge is an imprint of Taylor Francis an informa company *From Cabin 'Boys' to Captains* Jo Stanley,2016-04-04 Traditionally a woman s place was never on stormy seas But actually thousands of dancers purserettes doctors stewardesses captains and conductresses have taken to the waves on everything from floating palaces to battered windjammers Their daring story is barely known even by today s seawomen From before the 1750s women fancying an oceangoing life had either to disguise themselves as cabin boys or acquire a co operative husband with a ship attached Early pioneers faced superstition and discrimination in the briny monasteries Today women captain cruise ships as big as towns and work at the highest level in the global maritime industry This comprehensive exploration looks at the Merchant Navy comparing it to the Royal Navy in which Wrens only began sailing in 1991 Using a wide variety of interviews and sources Jo Stanley vividly reveals the incredible journey across time taken by these brave and lively women salts *Petticoat Whalers* Joan Druett,2001 First US Edition The first comprehensive book on whaling wives at sea written for a general audience *Captain Ahab Had a Wife* Lisa Norling,2014-02-01 During the eighteenth and nineteenth centuries the whaling industry in New England sent hundreds of ships and thousands of men to distant seas on voyages lasting up to five years In *Captain Ahab Had a Wife* Lisa Norling taps a rich vein of sources including women s and men s letters and diaries shipowners records Quaker meeting minutes and other church records newspapers and magazines censuses and city directories to reconstruct the lives of the Cape Horn widows left behind onshore Norling begins with the emergence of colonial whalefishery on the island of Nantucket and then follows the industry to mainland New Bedford in the nineteenth century tracking the parallel shift from a patriarchal world to a more ambiguous Victorian culture of domesticity Through the sea wives compelling and often poignant stories Norling exposes the painful discrepancies between gender ideals and the reality of maritime life and documents the power of gender to shape both economic development and individual experience *Women and English Piracy, 1540-1720* John C. Appleby,2013 Drawing on a wide body of evidence the book argues that the support of women was vital to the persistence of piracy around the British Isles at least until the early seventeenth century The emergence of long distance and globalized predation had far reaching consequences for female agency Piracy was one of the most gendered criminal activities during the early modern period As a form of maritime enterprise and organized criminality it attracted thousands of male recruits

whose venturing acquired a global dimension as piratical activity spread across the oceans and seas of the world At the same time piracy affected the lives of women in varied ways Adopting a fresh approach to the subject this study explores the relationships and contacts between women and pirates during a prolonged period of intense and shifting enterprise Drawing on a wide body of evidence and based on English and Anglo American patterns of activity it argues that the support of female receivers and maintainers was vital to the persistence of piracy around the British Isles at least until the early seventeenth century The emergence of long distance and globalized predation had far reaching consequences for female agency Within colonial America women continued to play a role in networks of support for mixed groups of pirates and sea rovers at the same time such groups of predators established contacts with women of varied backgrounds in the Caribbean and the Indian Ocean As such female agency formed part of the economic and social infrastructure which supported maritime enterprise of contested legality But it co existed with the victimisation of women by pirates including the Barbary corsairs As this study demonstrates the interplay between agency and victimhood was manifest in a campaign of petitioning which challenged male perceptions of women's status as victims Against this background the book also examines the role of a small number of women pirates including the lives of Mary Read and Ann Bonny while addressing the broader issue of limited female recruitment into piracy

JOHN C APPLEBY is Senior Lecturer in History at Liverpool Hope University **Captain's Wife** Abby Jane Morrell, 2012-03-05 Gives the reader a woman's perspective on life at sea aboard a schooner when conditions under sail were uncomfortable and at times dangerous The Northern Mariner During the nineteenth century it became increasingly common for merchant service masters to take their wives to sea particularly in the whaling industry where voyages of 2-3 years were not uncommon Reflecting the sailors traditional dislike of women on board seen as unlucky by the superstitious and disruptive by the more rational these ships were derisively dubbed Hen Frigates and although they have been the fashionable subject of academic interest in recent years there is not much literature by the women themselves Among the first and most accomplished is Abby Jane Morrell's account of a voyage between 1829 and 1831 that took her from New England to the South Pacific Her husband Benjamin was in the sealing trade but was a keen explorer and his adventurous spirit led him and his wife into situations normally well outside the world of the Hen Frigate Curiously Benjamin also wrote an account of this voyage but since he was described by a contemporary as the greatest liar in the Pacific his wife's is a better record of what actually happened even when dealing with dramatic incidents like the murderous attack by cannibal islanders Apart from the descriptions of exotic places much of the interest in this book is the traditional centuries old world of the sailor as seen through the eyes of a thoughtful and well educated woman As such it heads a long line of improving books aimed at ameliorating the seaman's lot A book that absorbs and rewards the reader Highly recommended Firetrench *English/British Naval History to 1815* Eugene L. Rasor, 2004-10-30 The English/British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the

motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Hen Frigates Wives Of Merchant Captains Under Sail full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Hen Frigates Wives Of Merchant Captains Under Sail eBooks, including some popular titles.

FAQs About Hen Frigates Wives Of Merchant Captains Under Sail Books

What is a Hen Frigates Wives Of Merchant Captains Under Sail PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Hen Frigates Wives Of Merchant Captains Under Sail PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Hen Frigates Wives Of Merchant Captains Under Sail PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Hen Frigates Wives Of Merchant Captains Under Sail PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Hen Frigates Wives Of Merchant Captains Under Sail PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
