What Milly Did Elise Moser, 2016-08-01 The extraordinary story of the woman who made plastics recycling possible Milly Zantow wanted to solve the problem of her town s full landfill and ended up creating a global recycling standard the system of numbers you see inside the little triangle on plastics This is the inspiring story of how she mobilized her community creating sweeping change to help the environment On a trip to Japan in 1978 Milly noticed that people were putting little bundles out on the street each morning They were recycling something that hadn t taken hold in North America When she returned to Sauk City Wisconsin she discovered that her town s landfill was nearing capacity and that plastic made up a large part of the garbage No one was recycling plastics Milly decided to figure out how She discovered that there are more than seven kinds of plastic and they can t be combined for recycling so she learned how to use various tests to identify them Then she found a company willing to use recycled plastic but the plastic would have to be ground up first Milly and her friend bought a huge industrial grinder and established E Z Recycling They worked with local school children and their community and they helped other communities start their own recycling programs But Milly knew that the large scale recycling of plastics would never work

unless people could easily identify the seven types She came up with the idea of placing an identifying number in the little recycling triangle which has become the international standard Milly s story is a glimpse into the early days of the recycling movement and shows how thanks to her determination hard work and community building huge changes took place spreading rapidly across North America Correlates to the Common Core State Standards in English Language Arts CCSS ELA LITERACY RI 3 3 Describe the relationship between a series of historical events scientific ideas or concepts or steps in technical procedures in a text using language that pertains to time sequence and cause effect CCSS ELA LITERACY RI 4 7 Interpret information presented visually orally or quantitatively e g in charts graphs diagrams time lines animations or interactive elements on Web pages and explain how the information contributes to an understanding of the text in which it appears

Here Comes The Garbage Barge: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
