How Can I Know Answers To Lifes 7 Most Important Questions:

The Four-Letter Word Edited Out of Church Life Allan J. Macdonald, 2023-08-07 It is misunderstood neglected ignored redacted deleted and hated The doctrine of Hell is naturally unpalatable to the unconverted but has become equally unpalatable to much of the visible church including many who deem themselves to be evangelical Jesus is still regarded as the one who saves but it is forgotten what he saves from It is a doctrine so unwanted and offensive that it is cut out of church teaching like an editorial cut out of a swear word in the media Yet not that long ago it was universally accepted dogma reflecting the emphatic manner in which the Lord Jesus addressed the subject giving more attention to Hell than to any other subject Concise yet comprehensive this book inspires a new generation of Christians to embrace and proclaim the doctrine in its fulness in imitation of Jesus and his gospel Extremely thought provoking it is a must read for all seminary students and prospective pastors Equally suitable as an evangelistic tool the unconverted are repeatedly entreated to take refuge in Jesus and escape the most terrible destination in all of creation Do not delete this four letter word from your church life [The 7 Secrets to a Life of Meaning](#) Ian Percy, 2002 [Mysteries of the Afterlife](#) Ron Jones, 2016-02-01 Is there a more important topic than one s eternal destination Pastor church planter and radio personality more than 100 radio stations and expanding Ron Jones believes the gravity of this topic deserves the utmost in both biblical accuracy and compassion In *Mysteries of the Afterlife* he delivers a clearly written and compelling explanation of heaven hell and the afterlife You ll find answers to questions such as What happens 60 seconds after we die Are heaven and hell real places Is there a future resurrection and judgement Are we reincarnated after death Can we communicate with the dead Are near death experiences real And the most important question of all what is your eternal destiny Whether you realize it or not your journey toward your final destination began the day you re born And the beginning of your discovery of what lies beyond the grave starts right now Ron Jones **What Every Christian Should Know** Dr. Robert Jeffress, 2023-01-03 We live in a time when believing in anything or nothing is considered equally truthful Many people don t identify with a specific religion preferring to think of themselves as spiritual to avoid seeming intolerant of other beliefs This has led to some squishy ideas about right and wrong as well as false teachings infiltrating our churches More than ever we must stand firm on the clear teaching of God s Word In *What Every Christian Should Know* Dr Robert Jeffress equips you to understand ten core doctrines of Christianity so you can be confident that your faith is built on solid ground and stand strong against false teaching Each chapter illuminates a core belief of the Christian faith such as God s Word the Trinity angels and demons sin salvation future things and more Nothing is more hopeful and beneficial in our trying times than good theology With vivid illustrations clear explanations and practical applications for believers today this book will help you ground your faith in capital T truth [QUESTIONS AND ANSWERS FROM THE BIBLE](#) Robert Gobelet, 2016-05-03 Do you have a question about God Jesus the Bible or theology Do you need help understanding a Bible verse or passage Are there any spiritual issues in your life for which you need advice or counsel

Hesselgrave,2016-10-11 The book of Job has captured the imagination of Christians and non Christians alike In this study Ronald Hesselgrave shows how the personal story of Job s intense struggle with suffering is representative of the pain and vexation within the entire creation and how Job s eventual healing and restoration in the context of his relationship to God is connected to the grand narrative of God s purpose to redeem humanity and defeat evil in the world He explores the themes of creation evil lament justice and God s sovereignty grace and redemption within the separate speeches in Job and against the backdrop of wisdom literature as a whole A further concern of this study is with the pastoral or practical value of the book of Job both for caregivers and those who may themselves be going through the valley of deep trauma and suffering Dr Hesselgrave brings together

theological social and psychological insights in a way that deepens our understanding of suffering and provides the basis for a more holistic and comprehensive response to the needs of those who suffer A final summary of the implications of Job for a practical theology of suffering is given in the conclusion
