How Did You Get This Number:

How Did You Get This Number Sloane Crosley, 2010-06-15 From the author of the sensational bestseller *I Was Told There'd Be Cake* comes a new book of personal essays brimming with all the charm and wit that have earned Sloane Crosley widespread acclaim award nominations and an ever growing cadre of loyal fans In *Cake* readers were introduced to the foibles of Crosley's life in New York City always teetering between the glamour of Manhattan parties the indignity of entry level work and the special joy of suburban nostalgia and to a literary voice that mixed Dorothy Parker with David Sedaris and became something all its own Crosley still lives and works in New York City but she's no longer the newcomer for whom a trip beyond the Upper West Side is a big adventure She can pack up her sensibility and takes us with her to Paris to Portugal having picked it by spinning a globe and putting down her finger and finally falling in with a group of Portuguese clowns and even to Alaska where the bear bells on her fellow bridesmaids ponytails seemed silly until a grizzly cub dramatically intrudes Meanwhile back in New York where new apartments beckon and taxi rides go awry her sense of the city has become more layered her relationships with friends and family more complicated As always Crosley's voice is fueled by the perfect witticism buoyant optimism flair for drama and easy charm in the face of minor suffering or potential drudgery But in *How Did You Get This Number* it has also become increasingly sophisticated quicker and sharper to the point more complex and lasting in the emotions it explores And yet Crosley remains the unfailingly hilarious young Everywoman healthily equipped with intelligence and poise to fend off any potential mundanity in maturity

Where Did You Get This Number? Anthony Salvanto, 2019-08-27 CBS News Elections and Surveys Director Anthony Salvanto takes you behind the scenes of polling to show you how to think about who we are and where we're headed as a nation As Elections and Surveys Director for CBS News it's Anthony Salvanto's job to understand you what you think and how you vote He's the person behind so many of the poll numbers you see today making the winner calls on election nights and surveying thousands of Americans In *Where Did You Get This Number: A Pollster's Guide to Making Sense of the World* Salvanto takes readers on a fast paced eye opening tour through the world of polling and elections and what they really show about America today beyond the who's up who's down headlines and horse races Salvanto is just the person to bring much needed clarity in a time when divisions seem to run so deep The language of polling may be numbers but the stories it tells are about people In this engaging insider's account Salvanto demystifies jargon with plain language and answers readers' biggest questions about polling and pollsters How can they talk to 1,000 people and know the country How do they know the winner so fast How do they decide what questions to ask Why didn't they call you Salvanto offers data driven perspective on how Americans see the biggest issues of our time from the surprising 2016 election to the shocks of the financial crisis the response to terrorism and the backlash against big money He doesn't shy away from pointing out what's worked and what hasn't Salvanto takes readers inside the CBS newsroom on Election Night 2016 and makes readers rethink conventional wisdom and punditry just in time for the 2018

midterms He shows who really decides elections and why you should think about a poll differently from the forecasts popularized by Nate Silver and others Where Did You Get This Number is an essential resource for anyone interested in politics and how to better measure and understand patterns of human behavior For any American who wants to get a better read on what America is thinking this book shows you how to make sense of it all *No Common Place* Alina

Bacall-Zwirn, Jared Stark, 2000-08-01 You know a lot of people like to talk about it and I m always pushing pushing away you know I m always pushing I hate to remember I hate to talk about it But in the wake of her husband s death and afraid that the story would never be told Alina Bacall Zwirn a survivor of the Warsaw ghetto and four Nazi concentration camps decided to remember and to bear witness to the history she and her husband suffered together In a unique format that combines personal testimony photographs letters legal documents and contributions from Alina s family No Common Place interweaves a survivor s story with her reflections on the impact of her traumatic past on herself and her family As it follows Alina through conversations with Jared Stark and with interviewers at the Fortunoff Video Archive for Holocaust Testimonies and as it records her participation in the dedication ceremonies of the U S Holocaust Memorial Museum the books speaks to the importance of the individual s voice in shaping collective memory of the Holocaust The supporting materials chronology maps and notes allow the survivor s voice to serve as a guide to the study of the Holocaust and its aftermath Sessional Papers

Jealousy Burning M.M. Routson, 2018-08-01 A story of love hate jealousy romance and fear From M M Routson the creator of Love Thy Provider comes this electrifying novel A relentless buildup of suspense and intrigue from the first page to the riveting conclusion There is peril romance and suspense aplenty The categorical characters will hold the reader s interest with crackling dialogues and persona A beautiful blonde who works in the diamond district is approached by an undesired suitor When his intentions are rejected he becomes adamant and obsessed with the challenge of winning her over When his overtures fail he gets angry When he sees her with another man he becomes crazed with jealousy and begins a regular routine of stalking and harassing that ends in hardship and disaster Jealousy Burning is a tragic love story that is hard to put down You will want to read it to the end and then tell your friends **Coming of Age** David Goulet, 2017-03-30 Coming of age is difficult at any time but for young men in the late 60s it was particularly stressful The military draft was going to be implemented by President Nixon while the Vietnam War raged on The country had been in turmoil the past few years with events occurring that impacted the direction the country and its youth would take Dan Horning had been a star athlete in

high school and hoped for an athletic scholarship to college He was battling a strained relationship with his father who wanted him to join the military while he worked in a foundry But a chance meeting at a local college would soon set him on a new path Diane Rosen knew she wanted to attend the University of Miami since she was a little girl She was bright determined and focused Just the opposite of Dan who would transfer to the same school The two would meet by accident under less than ideal circumstances Dan hoped to get to know Diane after their encounter but she felt very differently about him When a series of events occurred at the university out of Dan's control that made playing basketball impossible he changed his major much to the frustration of his father and his college career took off Success in school didn't help Dan at home but things were changing with Diane But things still bothered Dan so he took up surfing and bought a motorcycle to replace the basketball fiasco A serious medical event would happen affecting both Dan and Diane as they neared graduation and would change their lives forever Interspersed with numerous current events of that tumultuous era Coming of Age tells the story of two college students trying to find their way and the challenges they faced individually and together wanting to succeed But tragedy would ultimately strike and one of them would never be the same Martin Cruz Smith Ebook Boxed Set Martin Cruz Smith, 2011-05-03 Stalin's Ghost Investigator Arkady Renko the pariah of the Moscow prosecutor's office has been assigned the thankless job of investigating a new phenomenon late night subway riders report seeing the ghost of Joseph Stalin The illusion seems part political hocus pocus and also part wishful thinking for among many Russians Stalin is again popular the bloody dictator can boast a two to one approval rating Decidedly better than that of Renko whose lover Eva has left him for Detective Nikolai Isakov a charismatic veteran of the civil war in Chechnya a hero of the far right and Renko suspects a killer for hire The cases entwine and Renko's quests become a personal inquiry fueled by jealousy Wolves Eat Dogs The death of one of Russia's new billionaires leads Arkady Renko to Chernobyl and the Zone of Exclusion closed to the world since 1986's nuclear disaster It is still aglow with radioactivity now inhabited only by the militia shady scavengers a few reckless scientists and some elderly peasants who refuse to relocate Renko's journey to this ghostly netherworld the crimes he uncovers there and the secrets they reveal about the New Russia make for an unforgettable adventure Three Stations In Three Stations Renko's skills are put to their most severe test Though he has been technically suspended from the prosecutor's office for once again turning up unpleasant truths he strives to solve a last case the death of an elegant young woman whose body is found in a construction trailer on the perimeter of Moscow's main rail hub It looks like a simple drug overdose to everyone except to Renko whose examination of the crime scene turns up some inexplicable clues most notably an invitation to Russia's premier charity ball Thus a sordid death becomes interwoven with the lifestyles of Moscow's rich and famous many of whom are clinging to their cash in the face of Putin's crackdown on the very oligarchs who placed him in power *Constructing Number* Anderson Norton, Martha W. Alibali, 2018-12-17 The book synergizes research on number across two disciplines mathematics education and psychology The underlying problem the book addresses is how the brain

constructs number The opening chapter frames the problem in terms of children s activity including mental and physical actions Subsequent chapters are organized into sections that address specific domains of number natural numbers fractions and integers Chapters within each section address ways that children build upon biological primitives e g subitizing and prior constructs e g counting sequences to construct number The book relies on co authored chapters and commentaries at the end of each section to create dialogue between junior faculty and senior researchers as well as between psychologists and mathematics educators The final chapter brings this work together around the framework of children s activity and additional themes that arise in the collective work The book is aimed to appeal to mathematics educators mathematics teacher educators mathematics education researchers educational psychologists cognitive psychologists and developmental psychologists
