The Mirror Test Jeffrey W. Hayzlett, 2010-05-05 Hayzlett s big booming approach is direct and to the point but done so with a smile on his face as *The Mirror Test* is chock full of inspirational business stories and insights from his own career Jeff Hayzlett is a big boisterous guy who has the guts to get in

your face and tell you exactly why your business isn't doing well. In short, he asks the questions that most business managers are afraid to ask. And as Jeff points out, if you aren't willing to look at what's working and what isn't and then take the necessary steps to fix them, well, you and your colleagues and employees are in for a tough ride. Known for his outspoken appearances on numerous TV reality shows, Hayzlett has built his career on having the ability to get his people to look up and pay attention to the problems at hand. *The Mirror Test* will teach readers through entertaining and timely anecdotes how to thoughtfully yet aggressively evaluate, deconstruct, and then reconstruct one's business. In his unique confrontational manner, Hayzlett will coach small business owners and managers on topics such as: Give your business the mirror test; is your company really breathing? Here's how you and your company must adapt or die. The bottom line of your business really is your bottom line. You have to focus on it. *Forthcoming Books* Rose Arny, 1994-02 **Airman**, 1968 **God in 3D** Colin Green, 2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts: One, the idea of the Trinity can't be found explicitly in Scripture. Two, it is a mystery irrational to the human mind. Three, the classical creeds of the church are the best place to start. These old ideas break down in light of recent research in biblical studies. Writing in plain English, the author sets out where the Trinity can be found in Hebrew and Christian Scripture, that it is rational and understandable, and that there are biblical ways of understanding it that are easier to get across than the classical creeds. This book offers what many interested in teaching or learning about the Trinity have lacked up to now. And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand. For the scholar interested in biblical and early church studies, recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject. In the temple of God, we find the triune God. **Brilliant Customer Service** Debra Stevens, 2012-07-10 Keep them coming back for more. *Brilliant Customer Service* is your guide to help you deliver exceptional customer service and keep your customers coming back, time and time and again.
