Positive Parenting: How Establish Discipline through Positive Parenting Mary Miller, 2014-09-24 Are you a parent wondering how to discipline your child in a manner that would not spark rebellion in the process Or perhaps you are a new parent having all sorts of fears on how to raise responsible children of the community There's a new method that has been introduced to apply in parenting it is called positive parenting

Positive parenting is a manner in which we let our children develop and learn from an environment of respect and encouragement. This new method of parenting allows our children to act in a very social, useful and constructive way so that punishment, scolding or beating is not really necessary. What else can you actually gain from this book?

- o 10 basic foundations of good parenting
- o The power of self concept in positive parenting
- o How is attachment affecting our parenting ways
- o How to handle and correct tantrums and whining among children
- o How to handle little white lies among children

Understanding Your Four-Year-Old: A Comprehensive Guide for Parents Pasquale De Marco, 2025-07-18 From the moment your child turns four you enter a whole new world of parenting. This is a time of rapid growth and development both physically and emotionally. Your child is learning new things every day and they are constantly changing. As a parent you want to do everything you can to help your child thrive during this important stage of life. You want to provide them with the love, support and guidance they need to reach their full potential. But how do you do that?

Understanding Your Four Year Old A Comprehensive Guide for Parents is the ultimate resource for parents of four year olds. This book covers everything you need to know about your child's development from physical milestones to emotional growth. It also provides practical advice on how to deal with common challenges such as tantrums, sibling rivalry and bedtime battles. With Understanding Your Four Year Old A Comprehensive Guide for Parents you will learn how to understand your child's unique personality and needs. Create a supportive home environment. Set limits and boundaries. Encourage positive behavior. Discipline your child effectively. Communicate with your child in a way they understand. Build a strong relationship with your child. This book is packed with valuable information and advice that will help you raise a happy, healthy and well adjusted four year old. With Understanding Your Four Year Old A Comprehensive Guide for Parents you will be equipped with the knowledge and tools you need to help your child thrive. If you like this book write a review.

Cracking the Parenting Code Laura Lee Heinsohn, 2008 Why do some children grow up and then abandon their parents' Christian values and convictions? How can parents prevent this? Laura Lee Heinsohn's search led to startling conclusions. Through interviews with more than 1 000 individuals about their childhood and parenting experiences she discovered common themes. Nearly every person who abandoned their parents' Christian values and convictions said "I needed something from my parents that they couldn't or didn't give me." In Cracking the Parenting Code Heinsohn identifies six critical needs of children and six corresponding clues to meeting those needs.

Understanding Your Child's Brain Álvaro Bilbao, 2023-03-30 Understanding Your Child's Brain simplifies the neuroscience behind what is going on in a child's brain during the first six years of life to help parents develop the full intellectual and emotional potential of their children. The book starts with an accessible explanation of the pillars and principals to understanding the child's brain. It then provides tools to help parents communicate more effectively with, nurture empathy in and enforce rules and positive behaviours for their children. Examining how to develop the emotional intelligence of children as well as their intellect, the chapters examine how to raise children based on trust, assertiveness and

fearlessness while also providing support and exercises in improving language memory creativity and self control This book offers parents and educators practical solutions to parenting problems and realistic advice for ensuring the healthy emotional and intellectual development of their children It will also be relevant to all mental health professionals who want to be more assertive when talking to parents about their child s problems and growth

A textbook for parents. How to teach a child to talk. Correct speech development from infant to preschool .
