hometown native Queens in all its glorious variety Here is the real New York a place where Pakistanis Puerto Ricans Haitians Anglos African Americans and West Indians scrap and mingle and love But the real star here is Burgess's incredible ear for language the voices of his characters leap off the page in riotous spot-on dialogue The outer boroughs have their own language where a polite greeting is fraught with menace and an insult can be the expression of the most tender love With a story as intricately plotted as a Shakespearean comedy or revenge tragedy for that matter and an electrically colloquial prose style *Dogfight a Love Story* establishes Matt Burgess as an exuberant new voice in contemporary literature The great Queens novel has arrived
