How Being Stubborn Depressed And Unpopular Saved My Life:

Dear Elizabeth Mary E. Lally, 2004 My experience with my mother gave me the strength to go through the emotional trauma that occurs after a death In our Irish Catholic fishbowl we had the family fight the wake the family fight the burial then finally the family no longer on speaking terms It also gave me the strength to let her go I did everything within my own ability to make it okay for her It was the least I could do for the woman who bore me raised me and forgave me I could ask for no greater gift than the one I could carry with me I learned never to give up hope Even in the darkest hours faith holds the light Once you open your eyes the rest is cake I m not sure if she ever really accepted the fact that she was dying Sometimes I thought she did and other times not My accepting it looking at what was happening right here now was the most difficult fragment of my journey with my mother Like her sometimes I did look at reality and sometimes I didn t Those times it was just too painful I wouldn t trade a lifetime for what I had with my mother that year What she did for herself was best What she did for me was awesome This book is meant to revere the woman that she was the woman she became in the end and the mother she will always be to me Elizabeth was an extraordinary woman with strength and wisdom beyond her own belief This book is to honor her memory and her beautiful soul

A Life in Smoke Julia Hansen, 2006-11-07 I accepted the certainty of my untimely death with gallows humor and a calculator I d read somewhere that each cigarette you smoke knocks seven minutes off your time on the planet To amuse myself I did the math 153 000 cigarettes two years of my life up in smoke Julia Hansen first lit up at nineteen Twenty years later she was editing books about health and smoking a pack or two a day She denied her son fast food but smoked in the house and car curtailed his video games but lit up at his soccer matches Despite repeated attempts to quit she always crawled back to her beloved menthol lights Smoking had become a metaphorical chain around her neck shackling her to an early death Haunted by a nightmarish vision of her future her son at her deathbed begging her not to leave him Hansen devised a drastic quit method She bought a 72 foot length of chain that was unwieldy as a corpse and locked herself to a radiator in her dining room What followed seven days of cold turkey misery comic absurdity and revelation as Hansen stepped from behind her wall of smoke to face her addiction to nicotine and some

painful truths Clanking around her house like Marley's ghost white knuckling cravings and struggling to understand tobacco's unyielding grip on her Hansen confronted her life in smoke fractured relationships lifelong battles with alcohol and depression and a profound sense of emptiness On day 1 the chain was her addiction to nicotine each link a story about cigarettes and self loathing By day 7 it had revealed its ringing rattling truth that every smoker has a story and it always centers on clinging to a comfort that can kill you In the end Hansen's story was painfully simple She smoked to survive her life And then to save it she quit Fierce and funny honest and utterly absorbing *A Life in Smoke* is Julia Hansen's evocative and inspiring account of the extreme measures she took to quit smoking decidedly not recommended by the medical profession

The Huddle Janet Cooper, 2009 *Too Late* Jynean E. Chandler, 2022-01-14 Young Stacie is a typical fifteen year old girl who thought she had plenty of time to give her heart to the Lord Little did she know that the decision she made would drastically change her life forever Her mother warned her that the rapture could happen any day and Pastor Ray preached a powerful sermon about the rapture on that fateful Sunday morning Did Stacie wait too late Even though this book is a fictional novel the theme of it rings true One day in the near future the rapture of the church is going to take place This is the next event on God's prophetic calendar where millions of people will vanish from the face of the earth In the Bible 1 Thessalonians 4:16-17 says The dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord It is also described in 1 Corinthians 15:51-58 The aftermath of the rapture will bring great distress and turmoil for all unbelievers who are left behind Their lives will suddenly change as they are plunged into the seven year tribulation period and the new world order The Antichrist will make his appearance and force both small and great to accept his mark or be martyred The decision is yours Will you make a choice to accept Jesus Christ as Lord and Savior of your life Or will you be too late
