Do you want to publish your book without paying the price tag that comes with readying your book for publication? I have been writing books since I was a young teenager. I have been ghostwriting, editing, formatting, publishing and marketing books since 2018 through my business Your InkWell, which I started to help others get their story out. Are you ready to get YOUR story out? Have you gotten it on paper only to be horrified to find that a proper edit and format can run anywhere between 1,800 and 8,000 depending on your manuscript's length and the type of edit it needs? And that it can cost anywhere between 500 and 10,000 just for the printing? What if I told you this was not necessary? In *How to Get Your Book Published for Free Every Time* you

will learn The proper way to edit your book How to get your book proofread for free The secrets to properly formatting your book for print and kindle The steps by step process to book cover creation The five ways you can publish and how to choose The steps to publishing your book for free Even if you ve never used styles in Word before you will learn the step by step process to applying them and making them stick so your e book will be properly formatted Even if you ve never created anything in a drag and drop platform in your life the easy to follow images in this book will walk you through the simple steps to creating your own cover Even if you ve never dreamed it possible to publish your book by yourself before you will gain a full understanding of the self publishing process and be able to use that same process to publish your own book If you want all this and more scroll up and click that buy now button
