How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today

This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it Female Orgasm Michael Bush,2018-04-10 To satisfy a woman on bed especially for those with a small penis might be quite difficult if you don't understand the basics behind making a woman orgasm Before writing this masterpiece I spoke to more than 500 women who have experienced orgasm The statistics are written below 51% said that they anticipated the sex so badly that they climaxed few minutes after the man started thrusting 30% said that the man started out with a fantastic foreplay and hit the right spots when he started thrusting 19% said that they had no idea what the man did but the sex was wonderful The question is where exactly is the right spot If you know about the G spot but have no idea how to hit it right during sex then there is a problem This book will show you exactly how you can make a woman anticipate sex so bad that you would have a field day getting her to climax The right way to go about foreplay thrusting and making her climax even when you have a small penis How to satisfy a woman is simple if you can just read this book Sex positions are not imperative when it comes to pleasing a woman on the bed It is all in a woman's head *Lillian's Wedding* Elizabeth Lennox,2017-12-19 Stolen Time Jane Tony's Story Arriving in New Orleans for her friend's wedding Jane's calamitous coffee run morphs into a tempestuous introduction to the devastatingly handsome Detective Tony Shaw Always one to play by the rules Jane isn't sure how to handle Detective Tony's brazen interest Between being in her friend's wedding together and investigating the murder plus the allure of opposites attracting the ending was inevitable Passionate Mystery Becca and Alex's Story Oh the delicious possibilities that the handsome man presents But only for a week Alex Beauchamp was a native of New Orleans while Becca was a New York City woman determined to conquer all obstacles But during her week in New Orleans she didn't want to face any obstacles She wanted Alex Alex was thoroughly amused that the dark haired beauty had mistaken his profession Unfortunately untangling her misunderstanding would be more difficult than he'd anticipated The Seductive Truth Talia and Stephen's Story A conservative republican and a liberal democrat Oil and water Cats and dogs Two worlds that should never comeingle And yet Tallia couldn't seem to resist Stephen's charm wit and his brilliance even though he spouted the opposing political views from her own Stephen took one look at the beautiful woman and knew that her bleeding heart ideas weren't going to get in the way He dismissed her political views and only saw the brilliant beautiful witty woman Doing the Right Thing Lillian and George's Story A week before her wedding Lillian realizes that she isn't in love with her fianc Phillip But what she felt for her business partner Now her feelings for George were a completely different issue George had tried to keep away but flaring tempers turned to a passionate embrace And a whole lot more Making her Smile Phillip and Marie's Story Marie had been in love with her boss ever since the first week she'd started working for him But he was engaged Off limits And then he wasn't How had it happened that she was in the Caribbean with Phillip He was supposed to be here with his new bride but Lillian was married to someone else and Okay Marie wasn't sure what was going on *I Don't Know...
