How God Can and Will Restore Your Marriage Erin Thiele, 1999 [How God Can and Will Restore Your Marriage](#) Erin Thiele, 2007 **A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand**

Erin Thiele, 2025-07-04 Is your life built on the Rock or on Sinking Sand Since founding Restore Ministries International an online ministry for women Erin Thiele has touched the hearts of thousands of women around the world Her love for the Lord and her dedication to follow the uncompromised Word of God is evident to all who have read her books have met her or have known her personally Where have you built your life Jesus told us that only the lives built on Him the Rock will stand when the rains come not if they come in the form of a sickness or death in your family financial troubles or your husband leaving you It is our hope that you through reading this book will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life Where have you built your life Before rebuilding you must have good blueprints Your blueprints must be His Word which you will find in this book always read the Scriptures never skip them Next you must find the Cornerstone that everything will be built on Our Cornerstone is taking Jesus as your Lord not just your Savior then to go beyond joy as you become His beautiful bride With a renewed mind the Lord s blueprint and Him by your side you will then be able to rebuild your life instead of foolishly building it on sinking sand Those of you who are sitting amidst rubble because your house has fallen through infidelity or divorce really have the advantage You are motivated to begin to rebuild your life This is where I was when I first began writing the book for women It was painful for me but it was worth every tear I ever cried A Wise Woman workbook so much help and hope Michelle in

Wisconsin I found this book thoroughly amazing because I finally got to see the mistakes I was making This book is a must for every woman after the Restore Your Marriage book Praise God I am now restored AFTER our divorce Hilary in South Africa I recommend this book to anyone who is married or who ever wants to be married It helped me learn how to be a godly wife So many of the principles can be applied to all of our relationships not just our marriage The biblical principles in it were new to me because I had been so diluted by the ways of the world Stephanie in Kansas *Jesus Intensive* Patrice

Pieces of my Brokenness Josephine DeJesus, 2012-07-05 Pieces of Come and taste of my brokenness where you can journey with me through the many valleys of despair There you will find healing and deliverance from the heartaches of yesterday Pieces of My Brokenness will offer you a place where you can at some point see yourself and find the way out of a place where there may seem to be none Tired of running from your past and avoiding the roads that lie ahead Come and journey with me and see the answer to your quest for identity Through the many pieces that have been cast at your feet you will come to see that through the breaking is where it all begins like a diamond locked and trapped in the rough of a coal It is through the pressure and friction that it is cultivated to be that precious and priceless stone It is through the very trials tribulations setbacks cuts bumps and bruises that you come out as precious as fine gold Pieces of My Brokenness depicts the very essence of dying to live again In all newness of mind body and soul My Brokenness

Why Marriage is Important to God Terence White Sr,2018-05-18 Why does God care He cares because he loves us and yearns to see his creation blessed and fruitful He told Adam and Eve to replenish the earth and gave them the means to do so The damage that sin brought in through disobedience has caused great division among those that have dared to obey God in being married The tools God gives us are quite available to those that desire to be successful in their relationship of husband and wife The beginning of this is found in the best toolbox ever put together the Word of God If you and your spouse would open it with a true heart for knowledge and instruction the author would surely and most assuredly guide you to the things required for your situation and prepare you to be an example to others He gives common sense but requires humility to grow in understanding and implementation of his wisdom I have tried over the years to help couples from every walk of life realize the importance of acknowledging that you cannot meet the demands of governing a marriage in joy and effectively raising a family without the great author and finisher of our faith I ve known couples who ignored this advice and rejected the tools made available by God and their marriages did not last or they were most miserable and all manner of discord was brought into their institution The result was bitterness infidelity and no peace and eventually it was destroyed I ve also known couples that have navigated the waters of life in their institution for well over sixty years and took the time to find the wisdom of God in using the tools he provided in raising their families and obtaining peace You too can change the course of your marriage and recover the joys you shared when you realized your love for each
