How Much Time Is Enough To Satisfy A Woman:

The Etherized Wife Leslie Margolin, 2021 *The Etherized Wife* provides a comprehensive examination of the evolution of sex therapy through the prism of gender. The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations. What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality. To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature, the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness. Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less, the book shows how therapists have favoured the man's side. *The Etherized Wife* shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal, natural, healthy sexuality. **How to**

Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going. If he wishes, he can have a second orgasm and keep going. He can last as long as his partner wishes, experience all of the excitement and release, and keep going. For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today, techniques have been perfected to make male multiple orgasm an option for almost every man. Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook *Sex: how to make love all night*. **Sex, Love, and Mental Illness** Stephanie J. Buehler, 2011-01-14 A sex manual like no other, this book

covers a variety of mental health problems and offers ways to overcome them when they threaten to undermine a loving relationship Until now the marketplace has offered little valuable information for couples in which one or both partners suffers from mental illness with resulting sexual problems **Sex Love and Mental Illness A Couple s Guide to Staying Connected** is for all of those couples It will help both parties understand the effects of mental illness and of the medications used to treat it on sexual desire and performance and provide ways to maintain both physical and emotional intimacy The first section of the book centers on common sexual concerns and loving someone with a mental disorder The second addresses a wide range of mental disorders their effects on relationships and ways couples can work together to overcome those effects Among the conditions covered are mood disorders anxiety disorders chronic pain eating disorders substance related disorders post traumatic stress ADD Asperger s Syndrome and even severe mental illness such as schizophrenia The emphasis throughout is on each partner developing empathy and communication skills to enhance the sexual experience and preserve a healthy relationship

Sex and the intelligent women Manfred F. DeMartino,2013-12-11 [James Stokes Dickerson](#) Emma Richardson Dickerson,Asahel Clark Kendrick,1879 [The Soul Solution](#) Vanessa Loder,2022-10-04 Vanessa is to women and power what Bren Brown is to vulnerability Andy Dunn author of Burn Rate cofounder of Bonobos

Are you so busy fulfilling everyone else's expectations that you've lost touch with yourself? Do you find yourself filling up your free hours with mundane tasks, soaking up podcasts to improve yourself and rushing around never getting it all done? For many women, it's the same kind of story: we hustle to overachieve at work and at home, all in the hopes that we can crush it until we finally feel fulfilled. Vanessa Loder invites you to consider this question: What if the point isn't to crush it in life but to savor it? With *The Soul Solution*, this sought-after women's leadership expert shares a powerful and practical guide to help women who feel overwhelmed and exhausted to recover our true selves and our joy in living. Here she presents a road map for coming home to yourself, including *The Whispers of Your Soul*, the three key steps for tuning out the noise and accessing authenticity; *Your Energetic Bread Crumbs*, how the universe signals to you when you're on the right path; *Discover Your Superpower*, why you've been ignoring your most valuable gifts and how to reclaim them; *From Tunnel Vision to Visionary*, ways to break out of the shame cycle of patriarchal culture and own your destiny; *Quieting the Inner Critic*, how to retrain your inner voices to encourage and support you; *The Upward Spiral*, using the SAT method; *Surrender, Allow, Trust* to get more of what you want with ease. Filled with practical guidance and inspiring personal stories, *The Soul Solution* is a nonstrategic, nonlinear but entirely effective guide to help you reclaim your feminine, intuitive soul power to fulfill your most meaningful and satisfying desires.

The Way of the Satisfied Woman Alanna Kaivalya, 2024-11-26 EXPLORE THE FULLEST POTENTIAL OF YOUR POWER AS A WOMAN Although women today have greater opportunity to make our own choices, build independent lives and craft powerful careers, we all too often forge our path by following the trajectory laid out by men. By emulating what men identify as desirable goals and strategies, we deny our truest, most innate feminine qualities and desires. *The Way of the Satisfied Woman* offers an alternative path for women and for any person who cares to focus more on the feminine than the masculine. The path of the feminine is simply different, perfect in its own right, yet integral and complementary to the path of the masculine. Alanna Kaivalya shows how embodying feminine energy sets us free, relaxes us and allows us to more completely manifest the things that are most important to us, including connection, communion and compassion. *The Way of the Satisfied Woman* explores definitions of feminine and masculine energies that embrace gender differences and affirm the experience of the modern woman, prominent qualities of the feminine as represented by mythological archetypes and modern psychology, ways of redefining the feminine in modern language, ideas and arenas, including intimate relationships, career, family, success, community and legacy, the relationship between masculine and feminine and its manifestations in intimate partnerships. It is time for women to take our place in the world and embrace the power, potency and purpose of the feminine, which will profoundly impact not just our own lives but the balance of all life around us.

The phenomenon of sexlessness in intimate relationships has gained increasing attention in popular culture. However, few scholarly investigations exist in examining this striking trend in Japan. This book presents an analysis of the socio-structural elements within both academic and public discourses in Japanese culture relating to sexlessness in intimate relationships. Drawing from original interview research, the author provides insights into individuals' experiences and investigates the connection between sexual inactivity, sexuality, and Japanese couples' satisfaction and well-being in their relationships. The book discusses how work environment, childbirth, infertility treatments, as well as past sexual experiences, extramarital affairs, and both unmarried and married couple relationships influence individual sexual behavior and consciousness. A broad overview of the meaning of sexuality through a cultural comparison with discourses on sexuality and interview results in Germany and Austria is also provided. To this end, the book calls into question whether sexlessness is a unique Japanese phenomenon or whether parallels and similarities might also be found in Western societies. Bringing together academic and public discourses on sexless couples, this book engages a rethinking of the meaning of sexuality, love, intimacy, and relationships both in and outside of Japan. It is of interest to students and scholars of Japanese studies, gender, sexology, and sociology.
