How Then, Shall We Live? Wayne Muller, 2013-09-11 We all long to experience a sense of inner wholeness and guidance but today's notions of healing and recovery too often keep us focused on our brokenness on our deficiencies rather than our strengths Wayne Muller's luminous new book gently guides us to the place where we are already perfect already blessed with the wisdom we need to live a life of meaning purpose and grace He starts as do so many spiritual teachers with simple questions Who am I What do I love How shall I live knowing I will die What is my gift to the family of the earth He then takes us deeper exploring each question through transformative true stories We meet men and women Wayne's neighbors friends patients who have discovered love courage and kindness even in the midst of sorrow and loss And through them we glimpse that relentless spark of spiritual magic that burns within each of us Woven throughout are contemplations daily practices poems and teachings from the great wisdom teachings Page by page we become more awake to the joy and mystery of this precious human life and to the unique gifts every one of us has to offer the world
