Emulation Ritual Pocket Book The Emulation Lodge of Improvement, 2015-01

The Inner Guard's Work Today Graham Redman, 2011-09-08 This series of books sets out to provide for each Officer of a Lodge as accurate as possible a description of Emulation Working as it applies to his office It is largely derived from the author's earlier book *Emulation Working Today* which does not slip conveniently into the pocket of a coat or apron and it therefore aims to remedy that defect Each book in the series like its bigger brother *Emulation Working Today* is intended as a supplement to the *Emulation Ritual* book It does not claim to be exhaustive as a description of Emulation Working for in many if not most cases the *Emulation Ritual* is quite clear as to the procedure that is to be followed There are however many instances where despite what might be thought a clear description in the rubric of the Ritual Brethren commonly fail to carry out the action described in accordance with the practice of Emulation Lodge of Improvement which it should not be forgotten preserves as far as possible the only Craft ritual that has ever been formally approved by the Grand Lodge There can be various reasons for such failures sometimes a weak or ignorant Director of Ceremonies or preceptor may have allowed Brethren to fall into careless habits conversely a strong Director of Ceremonies or preceptor may have enforced his own idiosyncratic views whichever may be the case that fickle and shifting concept the tradition of the

Lodge is usually invoked as justification Leaving aside such shortcomings in the ritual actions there are also several accident black spots where the wording of the ritual is liable regularly to be rendered inaccurately **Emulation Ritual** The Emulation Lodge of Improvement Unknown,2007-07-26 The most detailed and authoritative text on the true meaning of the Taylors Masonic rituals The principal contents of this book are the Official Taylors Lectures on the Three Degrees of Craft Freemasonry These lectures deal with the description of the ritual of those Degrees along with their moral and symbolic significance and are of a formal nature arranged as catechisms that is by question and answer form The text can be studied at home or can be preformed by two or more brethren in open lodge Much evidence suggests that many sections of these lectures are as old as the degrees themselves This book adds much to ones enjoyment and understanding of Freemasonry
