[El Narco](#) Ioan Grillo,2012-01-16 War is no exaggeration in discussing the bloodshed that has terrorized Mexico in the past decades As rival cartels battle for control of a billion dollar drug trade the body count 23 000 dead in five years and sheer horror beggar the imagination of journalistic witnesses Cartel gunmen have attacked schools and rehabilitation centers and murdered the entire families of those who defy them Reformers and law enforcement officials have been gunned down within hours of taking office Headless corpses are dumped on streets to intimidate rivals and severed heads are rolled onto dancefloors as messages to would be opponents And the war is creeping northward towards the United States El Narco is the story of the ultraviolent criminal organizations that have turned huge areas of Mexico into a combat zone It is a piercing portrait of a drug trade that turns ordinary men into mass murderers as well as a diagnosis of what drives the cartels and what gives them such power Veteran Mexico correspondent Ioan Grillo traces the gangs from their origins as smugglers to their present status as criminal empires The narco cartels are a threat to the Mexican government and their violence has now reached as far as North Carolina El Narco is required reading for anyone concerned about one of the most important news stories of the decade

The Special Operations Executive in Malaya Rebecca Kenneison,2019-05-30 During World War

II agents of the Special Operations Executive SOE infiltrated Japanese occupied Malaya There they worked with Malayan guerrilla groups including the communist sponsored Malayan Peoples Anti Japanese Army MPAJA regarded as the precursor of the communist insurgent army of the Malayan Emergency This book traces the development of SOE s Malayan operations and analyses the interactions between SOE and the various guerrilla groups It explores the reasons for and the extent of Malay disillusionment with Japanese rule and demonstrates how guerrilla service acted as a training ground for some later Malay leaders of the independent nation However the reports written about the MPAJA by SOE operatives just after the war failed to draw out the likely future threat posed by the communists to the returning colonial administration Rebecca Kenneison shows that the British possessed a wealth of local information but failed to convert it into active intelligence in the period prior to the Malayan Emergency In doing so she provides new insights into the impact of SOE on Malayan politics the nature of Malayan communism s challenge to colonial rule and British post war intelligence in Malaya

Singapore, Spirituality, and the Space of the State Joanne Punzo Waghorne, 2020-03-19 This book examines spirituality in Singapore showing how important the city state is for understanding contemporary global configurations of urban space religion and spirituality Joanne Punzo Waghorne highlights how the formal religious spaces temples churches and mosques have been confined to allotted sites on the map of Singapore whereas various spiritual organizations particularly of Hindu origins and headed by a guru still continue to operate as societies classified by the government with other clubs These unconventional religiosities are not confined but ironically make their own places meeting in ostensive secular venues high rise flats malls businesses and community centers thus existing in the overall space of religion commerce and the state The book argues that State of Singapore also operates between the secular and the religious constructing an overarching spatial regime that both accommodates and yet rivals the alternate spheres that spiritual movements construct under its umbrella Both spatial configurations challenge the presumed relationships between myth and reality religion and commerce the ethereal and the concrete the sacred and the secular on the levels of self community and polity Singapore now deemed a model for urban development in Asia also offers an understanding of a new post secularity and perhaps reveals

where the urbanized world is headed **Religion in Consumer Society** François Gauthier, 2016-04-08 Presenting an overview of an emerging field in the study of contemporary religion this book together with a complementary volume Religion in the Neoliberal Age explores issues of religion neoliberalism and consumer society Claiming that we have entered a new phase that implies more than the recasting of state religion relations the authors examine how religious changes are historically anchored in modernity but affected by the commoditization mediatization neoliberalization and globalization of society and social life Religion in Consumer Society explores religion as both shaped by consumer culture and as shaping consumer culture Following an introduction which critically analyses studies on consumer culture and integrates scholarship in the sociology of religion this book explores the following topics how consumerism and electronic media have shaped globalized culture and how this is affecting religion the dynamics and characteristics of often overlooked middle class religion and how these relate to globalization and differences between developed and emerging countries emerging trends and how we understand phenomena as different as mega churches and holistic spiritualistic journeys and how the pressures of consumer culture act on religious traditions indigenous and exogenous the politics of religious phenomena in the Age of Neoliberalism and the hybrid areas emerging from these reconfigurations of religion and the market Outlining changes in both the political institutional and cultural spheres the contributors offer an international overview of developments in different countries and state of the art representation of religion in the new global political economy **How Whole Brain Thinking Can Save the Future** James Olson, 2017-01-10 When facing a tough dilemma the wise person tackles the whole problem They don't just focus on one part and ignore the rest That's a matter of common sense but such holistic thinking rarely occurs in our most consequential organizations Although women are catching up in the corridors of power most people in charge today are highly specialized males whose perception is too often myopic For example while they may focus well on the immediate symptoms of a problem they often miss deeper causes wider effects and longer term consequences Such people some of whom are also women are left brain dominant thinkers who tend to miss the forest for the trees Sadly these left brain dominants fail to use all the mental faculties available to them in particular the holistic and intuitive perceptions provided by their right brain And this is why our future is now in great peril In this multiple award winning book James Olson carefully explores these issues and shows us how to minimize conflict by gaining creative control over our two modes of perception He goes on to describe the left brain bias in our civilization revealing it to be the root cause for centuries of war racism sexism exploitation and hyper polarization Left brain dominance also explains eons of misunderstanding between the sexes and our inability to understand LGBTQ variants of which there are as many as 32 fluid variations as Olson shows While most of our technological and scientific progress is driven by left brain thinking the great advances to come especially in ethics politics the arts and religion will require that we consciously harness both sides of our brain to greatly improve our thinking so we can more often reach agreement Independent scholar Olson concludes by explaining how we can achieve

greater internal coordination between these two operating systems thus showing us how and why thinking with our whole brains will lead us to peace justice prosperity and to the ultimate healing of our relationships and our world **The Christian Advocate** ,1906 Schmuck Seth Kushner,2016-09-01 Schmuck drips with self loathing near sightedness and sexually frustrated Ashkenazi goodness In Schmuck Kushner tells true stories based on his own mishaps and mortifying memories which are energetically illustrated by the cream of the indie comix crop Megan Sass Heeb Magazine One man s awkward coming of age quest to find love in New York City illustrated by twenty two artists whose individual short stories together tell a complete narrative Artists include Josh Neufeld Nick Bertozzi Dean Haspiel Gregory Benton Noah Van Sciver Stephan DeStefano and Christa Cassano Cover art by Joseph Remnant Book design by Eisner award winner Eric Skillman Forward by Jonathan Ames creator of HBO s Bored To Death and Starz Blunt Talk Seth Kushner was an environmental portrait photographer whose work has appeared in The New York Times Magazine Time L Uomo Vogue Sports Illustrated The New Yorker and others He was a founding partner in Hang Dai Editions with Dean Haspiel Josh Neufeld and Gregory Benton Kusher s previous books include The Brooklynites powerHouse Books 2007 and Leaping Tall Buildings The Origins of American Comics powerHouse Books 2012 *Women's Sexual Development* Martha Kirkpatrick,2012-12-06 This is not a textbook nor an encyclopedia rather it is a collection of papers representing a variety of points of view on contemporary issues controversies and questions about female sexual development The editor has a point of view not a point of view as to which of the various authors positions presented in this book is correct or even the most useful but a point of view about the format of such a book namely that the definitive answers and the experts who will provide them are not yet identified Therefore many voices should be heard from different areas of expertise training experience and back ground Inevitably there are contradictions and disagreements There should be Several authors who were asked to provide short discussions for papers found themselves unable to answer in less than an additional paper The editor welcomed this response This is an area full of ancient myths new discoveries and alternate perspectives It is hoped that the book reflects these ambiguities and controversies and that it will stimulate as many questions as it provides answers You will find represented in this volume and its forthcoming companion volume on women s sexual experience authors not generally found together between the covers When useful and where possible a discussion or an addendum to a paper has been included by an author who approaches the subject from a different base of information or experience The Four Dignities Cain Carroll,2014-09-21 Based on the author s long experience of Yogic and Daoist traditions this book explores the embodiment of spiritual practice in the most basic functions of daily life The author shows how to bring the consciousness to bear on the body in lying sitting standing and walking with transformational consequences
