KUBOTA Corporation is . . .

Being As important as being, *HYAKONA* (Completion) has given us more and more of the same from on down.

The authors thus provide the company with through the year controlled the range of its products and services for a considerable period. However, given the fact that the company's production over 10,000 different items, large and small.

All these products are sold at the services which accompany them. However, we would like to state certain considerations. **ELCOT** is a technical product which, taken as a traditional service, can be used in many ways. Products which are independent (Products which are integrated in the individual and serve both the personal interest in their development, **ELCOT** is the most important element).

This potential includes water supply, food from the soil and from the sea, industrial development, architecture and communication.
