FOREWORD

The gas runs the second wheel of a sixteenth engine. This engine is a product of Kitchell's special engineering and manufacturing. It is made of five materials and under a tight quality control system. It will give you long, satisfactory service. To obtain the best use of your engine, please read this manual carefully. It will help you become familiar with the operation of the engine and contains many helpful hints about engine maintenance. It is KITCHEN's policy to offer an equally as practical book about it for free. The materials use of the techniques in the manufacture of products may require some small parts of the material to be changed. KITCHEN's distribution and service will have the latest up-to-date information. Please do not hesitate to contact us with any

▲ SAFETY FIRST

The symbol, the industry's "Safety Seal System," is used throughout the document and on labels on the equipment itself to alert you of the possibility of personal injury. Please read instructions carefully. It is assumed that you read the instructions and safety regulations before you attempt to assemble or use this unit.
