The Romans Super Highway Ace French, 2009-12 Suddenly and without warning, a loud screeching noise caught my attention as if God had just scratched an album with a needle. A voice was suddenly inside my head, and I had no doubt this belonged to my heavenly Father. You are not going to get away that easily. Sitting alone in his jail cell on suicide watch, author Ace French had reached rock bottom. After a failed attempt to take his own life, a voice finally broke through. It took Ace's complete self-destruction and the loss of everything he held dear for him to come to Christ. But God pushed him through and onto The Romans Super Highway. The Romans Super Highway is a story of unconditional love and forgiveness that gives account of how God miraculously changed Ace's life into one of joy, happiness, and fulfillment. This book is for anyone who wants to experience life as it is meant to be lived. I couldn't put this book down. Ace's style is inviting, readable, and real. It is a vivid illustration of how far God will go to reach one of His children.

Reverend Blaine Hudson, Ace French was a star athlete, a professional chef, a failed family man, and a businessman. It took a stay in solitary confinement for God's voice to finally come through. He is still a chef and currently resides in South Carolina with his wife Melissa Kate.
