

The background of the slide is a dark, atmospheric photograph of a power plant. In the center, a large, circular cooling tower is visible, emitting a plume of white steam that rises into the air. To the right of the tower, there are several tall, rectangular industrial structures, possibly smokestacks or parts of the power generation equipment. The overall scene is dimly lit, with the primary light source being the steam from the cooling tower. The EPRI logo is positioned in the upper left corner, and the title 'Heat Pump Symposium' is centered in the lower half. A line of text at the bottom provides information about the sponsors.

EPRI

Heat Pump Symposium

Members of the Heat Pump Working Council (HPWC) are Sustaining Sponsors of the HPS.
