A Queer History of Adolescence Gabrielle Owen, 2020-12-15 *A Queer History of Adolescence* reveals categories of age and adolescence specifically as an undeniable and essential mechanism in the production of difference itself Drawing from a dynamic and varied archive including British and American newspapers medical papers and pamphlets and adolescent and children's literature circulating on both sides of the Atlantic Gabrielle Owen argues that adolescence has a logic a way of thinking that emerges over the course of the nineteenth century and that survives in various forms to this day This logic makes the idea of adolescence possible and naturalizes our historically specific ways of conceptualizing time development social hierarchy and the self Rich in intersectional analysis this book offers a multifaceted and historicized theory for categories of age that challenges existing methodologies for studying the people called children and adolescents Rather than offering critique as an end in and of itself *A Queer History of Adolescence* imagines the world making possibilities that critique enables and in so doing shines a necessary light on the question of relationality in the lived world Owen exposes the profound presence of history in our current moment in order to transform the habits of mind shaping age relations social hierarchy and the politics of identity today

Plural Feminisms Sohini Chatterjee, Po-Han Lee, 2023-09-07 Drawing on different understandings of feminisms this volume archives the ways in which we engage with feminisms and imagine the mundane as a feminist site of resistance against multiple and intersectional marginalisation and oppression How individual subjects come to their feminist praxis through autoethnographic and other qualitative accounts and how they offer resistant and decolonial strategies via reflection on their lived and embodied realities *Plural Feminisms* spurs a discussion on how structural violence is identified and resisted and the invisible and emotional labour that goes on behind this resistance The book documents the resistance strategies feminists employ on a daily basis to survive and to form and sustain dissident kinships that remain unread unheard overlooked and excluded from dominant

discourses of being and becoming Through autoethnography feminist queer and or trans and genderqueer indigenous Black and racialised disabled and neurodivergent scholars in the academy reflect on their engagement with feminisms as well as their unique resistance methods embracing and exploring complexities and challenges that both entail It foregrounds the critical importance of first person narratives in developing an expansive understanding of what it means to be a feminist the different narratives and forms that resistance takes and the socio cultural value of subversion **Against Equality** Ryan

Conrad,2015-03-20 When rights go wrong Does gay marriage support the right wing goal of linking access to basic human rights like health care and economic security to an inherently conservative tradition Will the ability of queers to fight in wars of imperialism help liberate and empower LGBT people around the world Does hate crime legislation affirm and strengthen historically anti queer institutions like the police and prisons rather than dismantling them The Against Equality collective asks some hard questions These queer thinkers writers and artists are committed to undermining a stunted conception of equality In this powerful book they challenge mainstream gay and lesbian struggles for inclusion in elitist and inhumane institutions More than a critique Against Equality seeks to reinvigorate the queer political imagination with fantastic possibility It Gets Better Dan Savage,Terry Miller,2012-01-25 In 2010 Dan Savage and his partner Terry Miller uttered

three words that would give rise to a global movement focused on empowerment of LGBTQ youth it gets better Growing up isn't easy Many young people face daily tormenting and bullying and this is especially true for LGBTQ kids and teens In response to a number of tragic suicides by LGBTQ students syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller Speaking openly about the bullying they suffered and how they both went on to lead rewarding adult lives their video launched the It Gets Better Project YouTube channel and initiated a worldwide phenomenon It Gets Better is a collection of original essays and expanded testimonials written to teens from celebrities political leaders and everyday people because while many LGBTQ teens can't see a positive future for themselves we can *Balancing on the*
