Hello World A Personal Letter To The Body Of Christ

Paul Crouch

Hello World A Personal Letter To The Body Of Christ:

Hello World! Paul Crouch, 2003-04-15 In *Hello World* Paul Crouch explains that God called him to create a network that would reach the entire world with the gospel of Christ. He shares the miracles of faith that opened doors for TBN and the spiritual battles that occurred at every turn. In a candid inspiring manner he unveils behind the scenes stories of inside battles for power of TBN and struggles with critics and false accusations from the media. Most of all he tells of God's divine sovereignty in raising up a mighty voice like no other in the history of the world. **The Preacher's Wife** Kate

Bowler, 2020-09-15 Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands spiritual empires or their own ministries. The biggest stars write bestselling books grab high ratings on Christian television and even preach. Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male dominated faiths. And black celebrity preachers wives carry a special burden of respectability. A compelling account of women's search for spiritual authority in the age of celebrity adapted from jacket. **Orange County** Gustavo Arellano, 2008-09-16

Bestselling author of *Ask a Mexican* Gustavo Arellano returns with *Orange County* a seamlessly woven history of California's Orange County with Gustavo's personal narrative of growing up within its neighborhoods. The story began in 1918 when Gustavo Arellano's great grandfather and grandfather arrived in the United States only to be met with flying potatoes. They ran and hid and then went to work in Orange County's citrus groves where eventually thousands of fellow Mexican villagers joined them. Gustavo was born sixty years later the son of a tomato canner who dropped out of school in the ninth grade and an illegal immigrant who snuck into this country in the trunk of a Chevy. Meanwhile Orange County changed radically from a bucolic paradise of orange groves to the land where good Republicans go to die. American Christianity blossoms and way too many bad television shows are green lit. Part personal narrative part cultural history *Orange County* is the outrageous and true story of the man behind the wildly popular and controversial column *Ask a Mexican* and the locale that spawned him. It is a tale of growing up in an immigrant enclave in a crime ridden neighborhood but also in a promised land a place that has nourished America's soul and Gustavo's family both in this country and back in Mexico for a century. Nationally bestselling author syndicated columnist and the spiciest voice of the Mexican American community Gustavo Arellano delivers the hilarious and poignant follow up to *Ask a Mexican* his critically acclaimed debut. *Orange County* not only weaves Gustavo's family story with the history of Orange County and the modern Mexican immigrant experience but also offers sharp caliente insights into a wide range of political cultural and social issues. **The Letter to the Colossians** Scot McKnight, 2018-02-26

The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play. Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere. **Acts and**
