three novels in Henning Mankell's Kurt Wallander series are now available in a trade paperback set. Mystery fans across America are discovering the international bestseller Henning Mankell and his character Kurt Wallander, the veteran Swedish police detective.

FACELESS KILLERS First in the Kurt Wallander series. It was a senselessly violent crime on a cold night in a remote Swedish farmhouse: an elderly farmer is bludgeoned to death and his wife is left to die with a noose around her neck. And as if this didn't present enough problems for the Ystad police, Inspector Kurt Wallander, the dying woman's last word is "foreign," leaving the police the one tangible clue they have. And in the process, the match that could inflame Sweden's already smoldering anti-immigrant sentiments.

THE DOGS OF RIGA Second in the Kurt Wallander series. On the Swedish coastline, two bodies, victims of grisly torture and cold execution, are discovered in a life raft. With no witnesses, no motives, and no crime scene, Detective Kurt Wallander is frustrated and uncertain he has the ability to solve a case as mysterious as it is heinous. But after the victims are traced to the Baltic state of Latvia, a country gripped by the upheaval of Soviet disintegration, Major Liepa of the Riga police takes over the investigation. Thinking his work done, Wallander slips into routine once more until suddenly he is called to Riga and plunged into an alien world where shadows are everywhere, everything is watched, and old regimes will do anything to stay alive.

THE WHITE LIONESSE Third in the Kurt Wallander series. The execution-style murder of a Swedish housewife looks like a simple case, even though there is no obvious suspect. But then Wallander learns of a determined stalker, and soon enough the cops catch up with him. But when his alibi turns out to be airtight, they realize that what seemed a simple crime of passion is actually far more complex and dangerous. The search for the truth behind the killing eventually uncovers an assassination plot, and Wallander soon finds himself in a tangle with both the secret police and a ruthless foreign agent. Combining compelling insights into the sinister side of modern life with a riveting tale of international intrigue, *The White Lioness* keeps you on the knife edge of suspense.
