O Woman, Great is Your Faith! Douglas Sean O'Donnell, 2021-08-26. The concept of faith holds a central position in New Testament and early Christian thought, yet this concept has not received the careful attention it deserves in the Synoptic Gospels. The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew, where it plays a major role in communicating this Gospel's vision for how readers should respond to the person and message of Jesus. The argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith (15:21-28) is used for pedagogical purposes, namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith.

Matthew uses Jesus's quantitative terms to teach on the nature of true faith. She embodies Matthew's theological vision of faith. Even though she is a gentile outsider/enemy, she comprehends the universal scope and abundant blessings of Jesus's mission. Moreover, she acknowledges Jesus's messianic identity correctly, perceiving him to be both David's royal heir and David's Lord. Finally, based on who she perceives Jesus to be and the purpose of his mission, she demonstrates faith as trust manifested in action.

Christian News from Israel, 1985 **The Hebrew Christian Witness**, 1872 **The Godhead: New Scriptural insights on the father the son and the Holy Ghost** Duane S. Crowther, 2023-07-17

Carefully crafted, precisely written and fully documented, this doctrinal resource assembles an abundance of meaningful new scriptural patterns. Have any questions about the nature of the Godhead? Look no further. The Godhead: New Scriptural Insights on the Father, the Son, and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before. Christian beliefs about God's attributes and physical natures of Godhead members, individual insights on God, the Son, God, the Holy Ghost, and God, the Father, and the ultimate objectives of divinity. New doctrines? No, they've been in the scriptures for centuries. But profound new insights? By the hundreds. The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity, causing them to discount the many literal biblical statements concerning the nature of God. Other major contributions of The Godhead include its numerous insights on premortal events, its compilation of hundreds of scriptures showing the physical nature of God, and its in-depth scriptural demonstration that Jesus is Jehovah. More key insights treat the essential attributes of Godhead members, their spirit nature, their threeness and oneness, relationships, the varied fatherhood roles of Jesus Christ, the nature of glory, Christ's roles among the Gods, and how mankind can attain Godhood. Author Duane S. Crowther is widely known for his in-depth doctrinal studies on many topics, including his books *Prophecy: Key To the Future*, *Life Everlasting*, and *Prophecies of the Old Testament*.
