Discovering this information brought comfort and healing to Tammy, and she desires to encourage others during their grieving by educating them on The Grieving Process. Each chapter of *Journey through the 8 Stages of Grief* contains four sections to help those who are grieving work through their pain. The first section explains a specific stage of grieving and shares what to expect during that stage. The second section contains Tammy's unfiltered journal entries which chronicle how she navigated through that stage. The third section gives practical steps on how to work through that stage of grieving. It also gives a list of suggestions for friends and family members who want to help someone going through a difficult time.
