Help Me Believe Direct Answers To Real Questions:

Help Me Believe Cliffe Knechtle, 2009-09-20 It's natural for you to have questions about Christianity. What does Jesus really have to offer in a world that is so complicated where there's so much pain? What difference could he possibly make in your life? For years Cliffe Knechtle has been fielding questions about and objections to Christianity from thousands of people. They want to know what you want to know: what does Jesus have to do with the real world with real life? In this book Knechtle provides the answers to some of the toughest questions you have including: Don't all religions teach the same thing? Why do Christians try to impose their morality on others? What is so valuable about life? What is God's answer to evil in the world? Why can't people seem to get along with each other? Why is forgiving others so difficult? Isn't God kind of old and boring? How do I know I can trust Jesus? I still have some doubts. Can you help me believe? Life isn't easy. And what Knechtle offers you in this book are not pat answers. Rather they are direct responses to real people with real questions. If you have questions about Christianity, Help Me Believe will grapple with them squarely, honestly, and helpfully. The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars, professors, lecturers, and students gather in a California hotel. They are all attendees of an Apologetics conference intended to join qualified representatives of Christian, Deist, and Atheist thought for a two-week no-holds-barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference. Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics. Catholicism, liberal Christianity, and Deism are also well supported. The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students. As the participants argue over controversial issues such as cosmology, evolution, the Bible, historical evidence for Jesus, the resurrection, biblical prophecies, and the problem of evil, intellectual fireworks result. But what will result when such a volatile and eclectic group is placed face to face for more than two weeks? The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time. Getting Your Feet Dirty Don Everts, 2007-03-15 Everts paints a picture of following Jesus by looking at the experiences of the earliest Christians. Meeting God in the Flesh Don Everts, 2005-06-01 Sweeping survey of 150 years of colonial history, 1607-1763, offers authoritative perceptive views by a brilliant scholar on agrarian society and leadership, non-English influences, religion, education, literature, drama, music, architecture, science, and much more. A significant contribution to early American history.
