The Initial Evidence Doctrine in North American Pentecostal Churches** Kenneth Richard Walters,2019-08-26 The modern Pentecostal movement has been studied many times in relation to its theological and sociological background Previous studies however have not focused on the distinctive doctrine of that movement the teaching that speaking in tongues is the initial physical evidence of the Baptism in the Holy Spirit Given that Pentecostals believe that this is a work of grace such a doctrine seems unlikely to arise as physical evidence is seldom required or looked for in the life of a believer in relation to any other area of grace This prompts the question of why such evidence was even being looked for And yet within a very short time of its proposal acceptance of this doctrine was so widespread as to become the hallmark of the movement Insistence on such a doctrine led to many being asked to leave their denominations and thus to the founding of other denominations This book attempts to answer the question Why And specifically Why Tongues **Railway Signal** ,1915 The Publishers Weekly ,1898 *A Complete Collection of State-trials, and Proceedings for High-treason, and Other Crimes and Misdemeanours: 1679-1684* ,1730 *A Complete Collection Of State-Trials And Proceedings For High-Treason And Other Crimes and Misdemeanours* ,1730 **By the Vision of Another World** James D. Bratt,2012 This book samples the rich variety of worship practices in American history to show how worship can be a fruitful subject for historians to study and how past cases can enrich our understanding of worship today By the Vision of Another World gathers highly regarded historians who usually are not read together because of the widely different subjects on which they typically work Yet their essays all fit together here as they address how worship work and worldview converge and reinforce each other no matter what particular place era denomination or ethnic racial group is under consideration The variety of methodologies and voices will appeal to a breadth of critical interests while the consistently high quality of historical narrative will keep readers engaged The Publisher's Weekly American Book-Trade Journal ,1884 The New York Times Index ,1926 **Uniform Trade List Annual** ,1989 *The International Cyclopædia* Harry Thurston Pech,Selim Hobart Peabody,Charles Francis Richardson,1900 **Catalogue of Books Added to the Library of Congress** ,1861
