Henry First A Story Of Excess:

Henry First Basil Lawrence, 2014-06-01 When Henry First enters his restaurant in a competition that he cannot win only a miracle or a chance discovery can save him Henry First is a darkly funny and multi layered novel a fast paced story where people do despicable things to one another all in the service of a jolly good meal **Excess in Modern Irish Writing**

Michael McAteer, 2020-03-14 This book examines the topic of excess in modern Irish writing in terms of mysticism materialism myth and language The study engages ideas of excess as they appear in works by major thinkers from Hegel Kierkegaard and Marx through to Nietzsche Bataille Derrida and more recently Badiou Poems plays and fiction by a wide range of Irish authors are considered These include works by Oscar Wilde W B Yeats G B Shaw Patrick Pearse James Joyce Sean O Casey Louis MacNeice Samuel Beckett Elizabeth Bowen Roddy Doyle Seamus Heaney Marina Carr and Medbh McGuckian The readings presented illustrate how Matthew Arnold's nineteenth century idea of the excessive character of the Celt is itself exceeded within the modernity of twentieth century Irish writing **The Twentieth-Century World of Henry**

James Adeline R. Tintner, 2000-05-01 Conventional analyses of Henry James conclude with the completed novels of the major phase and the revisions of the New York Edition 1907 1909 However James lived on to write vigorously for nearly a decade longer In this compelling study Adeline R Tintner perhaps the foremost living James scholar focuses her expertise on the writer's final years exploring how his work developed and how his ideas changed in response to events in the twentieth century As Tintner illustrates despite his age and the long career behind him James heralded in his later works the modernism that would be most fully represented by Joyce Eliot and Proust The twentieth century came to life for James during his long delayed visit to America in 1904 and 1905 This trip resulted in his critical look at his native country The American Scene 1907 a book Tintner argues is only now beginning to be appreciated The trip also revitalized his review of his body of work in the famed New York Edition Tintner explores James's revisions of his earlier novels especially of Roderick Hudson The American and most important the retouched Portrait of a Lady in which he refined Isabel Archer's aesthetic tastes to match his own She also reads James's late autobiographical writings as a form of experimental fiction that would be the hallmark of twentieth century modernism Indeed Tintner explains that James's final writings demonstrate how he thoroughly embraced the new century and anticipated several of the chief ideas that would dominate modern literature He reacted to the new economy and to the preoccupation with money in his unfinished novel The Ivory Tower explored the idea of the interaction between historical time and the present with his uncompleted The Sense of the Past and expressed concern with the deprivation of culture among the lower middle classes The flying machine the cinematograph and the Kodak entered his twentieth century vocabulary and he parodied his own usurping consciousness in his Monologue for Ruth Draper James even relaxed his treatment of sexuality as is apparent in his suggestion of autoeroticism in The Figure in the Carpet and in what seems to be a description of the gay scene in The Sacred Fount He became a propagandist during World War I devoting

the end of his career to urging American entry into the conflict His last published writings before he died of a stroke on February 28 1916 were emotional tributes to casualties of the war A fitting finale to Tintner s five astonishing works on the world of Henry James The Twentieth Century World of Henry James will stand as one of the most significant volumes on the writer s last years Through an amazing excavation of James s life and work Tintner uncovers many of the modernist themes that preoccupied him as he entered the new century and that in turn were to preoccupy many of the writers who came to maturity in the first half of the twentieth century

Brother Jonathan--extra ,1842 [A History of Love and Hate in 21 Statues](#) Peter Hughes,2021-09-14 From antiquity to the present day this book offers a fascinating insight into the histories movements and conflicts which have

come to shape our world viewed through the stories of the destruction of 21 statues Confederate soldiers hacked to pieces A British slave trader dumped in the river An Aboriginal warrior twice beheaded A Chinese philosopher consumed by fire A Greek goddess left to rot in the desert Statues stand as markers of collective memory connecting us to a shared sense of belonging When societies fracture into warring tribes we convince ourselves that the past is irredeemably evil So we tear down our statues But what begins with the destruction of statues ends with the killing of people This remarkable book is a compelling history of love and hate spanning every continent religion and era told through the destruction of 21 statues Peter Hughes original approach blending philosophy psychology and history explores how these symbols of our identity give us more than an understanding of our past In the wars that rage around them they may also hold the key to our future The 21 statues are Hatshepsut Ancient Egypt Nero Suffolk UK Athena Syria Buddhas of Bamiyan Afghanistan Hecate Constantinople Our Lady of Caversham near Reading UK Huitzilopochtli Mexico Confucius China Louis XV France Mendelssohn Germany The Confederate Monument US Sir John A Macdonald Canada Christopher Columbus Venezuela Edward Colston Bristol UK Cecil Rhodes South Africa George Washington US Stalin Hungary Yagan Australia Saddam Hussein Iraq B R Ambedkar India and Frederick Douglass US A History of Love and Hate in 21 Statues is a profound and necessary meditation on identity which resonates powerfully today as statues tumble around the world **Triumph and Demise** Paul Kelly, 2014-08-21

Drawing on more than sixty on the record interviews with all the major players Triumph and Demise is full of remarkable disclosures It is the inside account of the hopes achievements and bitter failures of the Labor Government from 2007 to 2013 Kevin Rudd and Julia Gillard came together to defeat John Howard formed a brilliant partnership and raised the hopes of the nation Yet they fell into tension and then hostility under the pressures of politics and policy Veteran journalist Paul Kelly probes the dynamics of the Rudd Gillard partnership and dissects what tore them apart He tells the full story of Julia Gillard s tragedy as our first female prime minister her character Rudd s destabilisation the carbon tax saga and how Gillard was finally pulled down on the eve of the 2013 election Kelly documents the most misunderstood event in these years the rise of Tony Abbott and the reason for his success It was Abbott s performance that denied Rudd and Gillard the chance to recover Labor misjudged Abbott and paid the price Kelly writes with a keen eye and fearless determination His central theme is that Australian politics has entered a crisis of the system that unless corrected will diminish the lives of all Australians **The Saturday Review of Politics, Literature, Science and Art**, 1861 **The Fitch Bond Book** Fitch Investors Service, 1929
