Www.Here I Am Russell Stannard,2002-03-01 Sam didn't think much of religion What with science being able to explain almost everything about us and about the world we live in there didn't seem much point to believing in God any more But then came the day Sam was exploring the Internet and stumbled across God's website At least that was what it claimed to be Sam decides to investigate and becomes engrossed in conversations with the mysterious person on the other end Together they explore the great questions arising out of evolution astronomy cosmology the laws of nature and the possibility of miracles Not that Sam knew much science Fortunately the stranger was able to explain the science from scratch in a way that Sam could understand They also tackled the problems of evil suffering and death that really set Sam thinking Readers will be challenged to form their own personal responses to the issues raised based on a listing of forty questions at the back of the book Sample questions include What do you hope to achieve in your lifetime Does belief in God play a part in that Do you believe in evolution that you came from animals Do you think there is life on other planets If so does that make human beings less important Do the world religions contradict each other or are they simply talking about the same God in somewhat different ways How should belief in an afterlife affect the way you live this life **Love** Jacqueline Bergan,Marie Schwan,2011-12-01 Grow closer to God through six weeks of prayer focused on a specific spiritual topic Since their original release in the late 1980s the Take and Receive prayer book series has sold more than 150 000 copies and its five themed books are hailed as classics in the Ignatian prayer tradition The first two books in the series are being repackaged and reprinted by Loyola Press Love A Guide for Prayer and Forgiveness A Guide for Prayer provide topic based opportunities for people to grow deeper in their relationship with God through prayer The theme of each volume directly correlates with a segment of the Spiritual Exercises though no previous experience with the Exercises is needed to benefit from these books Covering 36 days over a six week period each day offers scriptural passages with commentary followed by a suggested approach to prayer for that day Especially helpful is a section at the beginning of the book that explains the different types of solitary prayer that readers will be asked to engage in throughout the six weeks such as meditation contemplation and centering prayer Ideal for all who desire a closer relationship with God these books help us reimagine what it means to pray and help us see with new eyes God's presence and activity in our daily lives Hearings United States.
