The Journey of Intense Quietness Joan B. Weller, 2012-04-13 The Journey of Intense Quietness is a story of amazing discovery. Twenty years ago the Lord began to open my ears, sharpen my spiritual eyesight, and increase my longing to know the Father. As I learned to be tuned to His voice within me, I was nourished by Scripture and could receive His great words of direction. Weary and stressed believer, I invite you to come with me on this path that leads through hushed still places and along quiet byways leading to the Father. You will read simple, frank, tender stories and life lessons. Walk this trail with me, entering into an inner quietness where preoccupations no longer distract. This is a beautiful work, profound but simple, writes a friend. The words lodge inside me and transform, whether I like it or not. This book is an inspiration to anyone who is a follower of Christ. It is patient, kind, and presents itself as a way of life that is available to all who want to hear God love Him and follow Him. Most of all, there is a supernatural sense of God's love for us, His children, and how much He longs to be with us.

Have you ever wondered what a man thinks and what he feels truly feels when he is in the process of losing his wife to cancer and is her caregiver? Have you wondered how he feels after he loses his wife to cancer? Nothing prepares him for the overwhelming feelings of loss, of being alone, of anger at God until that very moment is upon him. Yes, there are clinical descriptions of what to expect at the loss of a spouse, such as: You may have feelings of anger at God or at your spouse for leaving you, feelings of loneliness, abandonment, guilt, or despair. These feelings are normal. Is that all? Yet there were no articles or descriptions of the depth of those emotions, the utter desolation of being alone after watching a spouse breathe her last breath, and how painful the loss really can be when it all sinks in because men are supposed to suck it up, to be strong, and move on. This journal describes everything from the mundane day-to-day incidents, concerns, hopes, victories, doubts, and frustrations of being the primary caregiver for a dying wife to the interactions between the author and his sons, his wife's two sons that he adopted and his oldest son from a previous marriage. It also describes the utter desolation he felt and ultimately lived through after his wife of twenty-eight years took her last breath on the morning following winter's
