Teaching Economic Concepts with Picture Books and Junior Novels Nancy J. Polette, 2013-08-29 Using quality literature to introduce younger students to economic terms and concepts is an engaging and effective teaching method. This book demonstrates how. At what age can children benefit from learning about economics? The consensus among educators today is the earlier the better. K-8 teachers and librarians will find this book invaluable for introducing basic economic concepts to students and giving them a solid foundation of understanding that can be built upon as they advance in grade level. Author Nancy Polette, prolific author and expert on using picture books for education, explains how to use 20 picture books to present basic ideas such as credit, wants and needs, and supply and demand, and to build understanding of more complex concepts with 20 junior novels. The titles and suggested activities enable students to enjoy the literary experience and benefit from economic lessons that sink in because they are presented through stories involving characters with whom children can relate.

From Orphan Train to Manhood Helen Allee Breedlove, 2013-06 In 1928, ten-year-old Lenvil O. Loughlin and his two younger brothers are picked up off the squalid streets of New York City and put on an orphan train headed west. Scared and fearful of what the future holds, Lenvil only hopes the three of them can stay together. When the train screeches to a halt in Lebanon, Missouri, Lenvil's brothers are selected by a childless couple. However, Lenvil is left to agonize over the separation and is put back on the train to go farther west. In Springfield, he is taken by Eldon Detherage, a cruel taskmaster who wants a boy for no

other reason than to work on his farm Fortunately Lenvil has a champion in Eldon s wife Velma who treats him with the kindness he desperately needs As the impact of the Great Depression spreads everyone is struggling just to survive As the years pass Lenvil copes with the hardships of life on the farm as best he can but he also makes himself a promise someday he will find his brothers and make a better life for them all
