Juster, 2011-03-24 This discipleship guide presents first steps of understanding and spiritual practice tailored for the Jewish believer but applicable to anyone Its goal is to aid the student in living according to Yeshua s will as a talmid a disciple one who learns from the example of his teacher This guide is structured according to recent advances in individualized educational instruction Discipleship is serious business and the material is geared for serious study and reflection Each chapter is divided into short sections followed by study questions *Growing to Maturity* Daniel C. Juster, 1982 Introduction to Messianic Judaism Zondervan, 2013-02-05 This book is the go to source for introductory information on Messianic Judaism Editors David Rudolph and Joel Willitts have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement Unique among similar works in its Jew Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer Richard Bauckham Markus Bockmuehl Craig Keener Darrell Bock Scott Hafemann Daniel Harrington R Kendall Soulen Douglas Harink and others Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges questions and issues with which Messianic Jews grapple The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating **At the Foot of the Mountain** Joshua M. Lessard, Jennifer M. Rosner, 2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions Messianic Jews have done something that for centuries was considered untenable Like Christians they have embraced Jesus as the divine Messiah but they have refused to surrender their place within the Jewish people How compatible are these two sides of Messianic Jewish faith Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages Did Jesus affirm rabbinic authority or does that authority now lie elsewhere within the new covenant In this volume Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents the church and Israel Both Lessard and Rosner are committed to the success of Messianic Judaism though they put forth contrasting visions of what that means The discussion herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit **Mapping Messianic Jewish Theology** Richard Harvey, 2009 Richard Harvey himself a Messianic Jew maps the diverse theological terrain of this young movement He makes an original and innovative contribution by clarifying affirming and constructively critiquing the present state of its theology The book examines five

topics of theological concern God's nature activity and attributes can the one God of Israel and the Christian Trinity be the same The Messiah Messianic Jewish Christologies Torah in theory the meaning and interpretation of the Torah in the light of Jesus Torah in practice Messianic practice of Sabbath food laws and Passover Eschatology the diverse models employed within the movement to describe the future of Israel Within each topic Harvey explores the range of Messianic Jewish views and their roots in both Jewish and Christian theological traditions The author proposes a typology of eight theological tendencies within Messianic Judaism and identifies issues where further theological development is required Ever Before Me: Your Love El Shaddai Gebreyes, 2012-05-21 Ever Before Me Your Love is a meditation on the intersection of library science and the arts particularly dance This multi genre book encompasses poetry theater and religious studies The author explores themes of love and inspiration in a pensive philosophical and comedic way This book contains poems monologues articles and even tweets some never before published The advent of the Internet has changed how humans access and organize information requiring libraries to accept global technological shifts and to incorporate the use of social media to remain relevant and viable Writing this book involved a soulful embrace of library science and the creative arts it is very interdisciplinary in nature **Relational Leadership** Daniel C. Juster Th.D., 2015-04-09 Understanding leadership from a scriptural perspective is not a strong point in the American Christian community This book is my attempt to put the experience of over twenty years of pastoring into written form for the benefit of others Some lessons were learned through difficulties and mistakes Some were learned by the teaching and example of others I do believe that the pattern of congregational structure put forth in these pages is scriptural It is a pattern that will work for large or small congregations It has worked well in our congregations for many years These are congregations planted especially to win the lost sheep of the house of Israel If it can work in this context a field known for its difficulty it can probably work in most other contexts
