Illinois Medical Marijuana Law Bradley Vallerius,2013-11-15 Enacted Aug 1 2013 Illinois Compassionate Use of Medical Cannabis Pilot Program Act will affect everyone in the state from Cairo to Rockford For patients it means finally receiving cheap effective relief For local businesses and workers it means a jolt of fresh economic prospects and the opportunity to pioneer an exciting new enterprise The law creates up to 20 cultivation centers one in every State Police District for growing cannabis plants and manufacturing cannabis medicine It also creates up to 60 dispensaries where patients who have been verified by a physician can purchase cannabis cannabis infused medicine and edible baked goods made with cannabis Written for a broad general audience this book provides a straightforward and easy to understand

explanation of the rules that will guide cultivation centers dispensaries and other participants in the medical cannabis industry It also covers the rules for patients physicians health care facilities landlords employers private businesses and anyone else who may be affected The new law is the beginning of an important long term social change and this is the book that helps you prepare for it Legal Marijuana Joaquin Jay Gonzalez III, Mickey P. McGee, 2018-11-21 The legalization of marijuana has spread rapidly throughout the United States from just a handful of states ten years ago to now more than half as well as the nation's capital In Canada it is legal to use and distribute nationally Thousands of cities and towns are following suit Legalization seems to be a win win people who use cannabis for health and recreation are served business is brisk and many governments welcome the much needed boost in tax revenue But not everyone thinks so The rapid pace of legalization has spurred debate among citizens cities states and the federal government This collection of essays explains the benefits and concerns the policies and actions and the future of this controversial issue Bud Inc. Ian Mulgrew, 2010-10-29 According to Forbes magazine marijuana is Canada's most valuable agricultural product bigger than wheat cattle or timber Bud Inc gives us an inside look at this thriving homegrown industry Although the cultivation and selling of marijuana remains illegal in Canada it is already big business especially in British Columbia Law enforcement officials estimate that the annual wholesale value of B C marijuana is now 6 billion about 5% of the province's total economy If these stats are correct it is B C's largest export Ontario and Quebec are not far behind Vancouver journalist Ian Mulgrew has been following the rise of this underground economy for some time and knows all the key players political and entrepreneurial Comparisons to the rum runners of the Prohibition era are not unfounded These so called pot barons are all savvy businessmen who have built their empires using tried and true business models Cash strapped governments pharmaceutical companies and other big businesses are well aware of the potential profits and Canada has been at the forefront of the global movement to legalize medical marijuana and decriminalize the recreational use of the drug Estimates vary but it's thought that nearly a million people in Canada could benefit from medicinal marijuana yet only about a thousand are currently legally authorized to use it Many feel that marijuana should be grown regulated and taxed like any other commodity Following the evolution of the marijuana trade from rich kids smuggling it in their luggage to trans oceanic operations involving tons of dope to today's thriving multi billion dollar domestic industry Bud Inc is a fascinating study of real life supply and demand economics November 2003 Medical Marijuana Samoon Ahmad, Kevin Hill, 2020-07-29 Written by experienced clinicians for practicing physicians and other health care providers this timely handbook presents today's available information on cannabis and its uses in all areas of patient care Medical Marijuana A Clinical Handbook summarizes what is currently known about the positive and negative health impacts of cannabis detailed pharmacological profiles of both THC and CBD considerations for each medical specialty treatment approaches used by practicing clinicians and insights into the history of cannabis and the current regulatory environment in the United States This concise easy to navigate guide is an invaluable
