Growing Up In America Then And Now:

Growing Up American Selma Cantor Berrol,1995 The child of Italian parents growing up at the turn of the century in New York City and the child of Mexican parents growing up today in Los Angeles likely share much in common To suffer the loss of a familiar place to feel like an outsider in a new one to be torn between the cultural values of those old and new places to know discrimination to grow up in poverty this has long and often been the lot of immigrant children Growing Up American is a testament to the struggles the defeats and the accomplishments of these children be they Italian or Mexican German or Irish West Indian or Asian on their way to becoming adults *Growing Up America* Susan Eckelmann Berghel,Sara Fieldston,Paul M. Renfro,2019-12-15 Growing Up America brings together new scholarship that considers the role of children and teenagers in shaping American political life during the decades following the Second World War Growing Up America places young people and their representations at the center of key political trends illuminating the dynamic and complex roles played by youth in the midcentury rights revolutions in constructing and challenging cultural norms and in navigating the vicissitudes of American foreign policy and diplomatic relations The authors featured here reveal how young people have served as both political actors and subjects from the early Cold War through the late twentieth century Age of Fracture At the same time Growing Up America contends that the politics of childhood and youth extends far beyond organized activism and the ballot box By unveiling how science fairs breakfast nooks Boy Scout meetings home economics classrooms and correspondence functioned as political spaces this anthology encourages a reassessment of the scope and nature of modern politics itself **The American Experiment: Yesterday, Today and Tomorrow** Randall Rush,2020-10-01 This book sets out the history of The American Experiment in self government focusing on its original legal documents The Declaration of Independence and The Constitution It discusses how and why such a Total Heresy as self government ever arose and has survived for nearly 250 years One focus is on the original genius of the Separation of Powers that has become so muddled since the Framers created the Constitution The horror of the World Wars and key aspects of the Presidents from Eisenhower through Carter and the two Bushes are summarized Presidents Reagan Clinton Obama and Trump are discussed in increasing levels of detail The failures of the Federal Department of Justice and the Federal Bureau of Investigation beginning with the Enron prosecution are summarized The issues of the appointment of Supreme Court Justices immigration and the rise of socialism communism in America are discussed in some detail The failed bloodless coup d etat and impeachment attempts to remove President Trump from office are discussed in depth as are the climate change debate and the Green New Deal The geopolitical world from Europe to Russia the Middle East China and North Korea are discussed as they are directly affecting future American freedom One of the last chapters discusses why western man and specifically America arrived at the pinnacle of civilization while others did not Finally the author closes with The Only Thing That Matters at the End of the Trail a summary of his wishes for not only his descendants but all the World *Children and*

Consumer Culture in American Society Lisa Jacobson,2007-12-30 Children play a crucial role in today s economy According to some estimates children spend or influence the spending of up to 500 billion annually Journalists sociologists and media reformers often present mass marketing toward children as a recent fall from grace but the roots of children s consumerism and the anxieties over it date back more than a century Throughout the twentieth century a wide variety of groups including advertisers retailers parents social reformers child experts public schools and children themselves helped to socialize children as consumers and struggled to define the proper boundaries of the market The essays and documents in this volume illuminate the historical circumstances and cultural conflicts that helped to produce shape and legitimize children s consumerism Focusing primarily on the period from the Gilded Age through the twentieth century this book examines how and why children and adolescents acquired new economic roles as consumers and how these new roles both reflected and produced dynamic changes in family life and the culture of capitalism This volume also reveals how children and adolescents have used consumer goods to define personal identities and peer relationships sometimes in opposition to marketers expectations and parental intentions

Polish American History before 1939 Adam Walaszek,2023-09-20 The history of private lives of the first and second generations of Polish immigrants in the United States is viewed from the perspective of migrants themselves What did the migrants do How did they behave How protagonists men women children with their own words presented their experience Their experience is compared with one of the other groups The book discusses migration processes formation of neighborhoods experiences at work daily and family lives functioning of parishes and tensions related to it and construction of people s identities and their constant reformulations Migrants created mutual aid societies which played not only economic but also ideological and political roles Experiences of immigrants children at home and at school are presented mostly in their own words and from their own perspective Cultural activities reflect constant changes of groups self identity The book also depicts the relations between the Polish migrants and members of other ethnic groups in the streets public spaces politics and within the Catholic church People lived in pluri cultural culturally diverse contexts and thus relations with the others were complex The panorama ended in the year 1939 when after the Great Depression the group entered into a new period of transformation during the war
