Wilbricht, csc, 2024-09-01 After the excitement of the Easter Vigil, the period of mystagogy can often be overlooked by the initiation team and the neophytes. However, it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church.

Mystagogical reflection is an important part of the spiritual growth of all parishioners from neophytes to lifelong Catholics because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives. It includes an overview of six foundational principles of initiation ministry and how they are applied to the period of mystagogy. Theological insights from the early Church's practice of mystagogy. Fulfilled in Christ: The Sacraments. A Guide to Symbols and Types in the Bible and Tradition Fr. Devin Roza, 2015-07-01. The Early Church read the Scriptures with the conviction that in the words of St. Augustine, "The New Testament lies hidden in the Old and the Old Testament is unveiled in the New." Drawing inspiration from how both the Apostles and Christ himself read the Old Covenant as referring to the New (cf. Luke 24:27, 1 Peter 3:20-21, 1 Corinthians 10:1-5), the Church found the Old Testament to be rich with figures or types that foreshadowed both the mysteries of the life of Christ and the mysteries or sacraments of the New Covenant. And yet in modern times, the study of types or typology has been largely abandoned by scholars due to the dangers of subjectivity and exaggeration. How can typology be studied in a way that is objective and that avoids the excesses present in the past? Fr. Devin Roza seeks to offer a solution to these difficulties by asking the question: According to the Scriptures and the living Tradition of the Church, what are the types and symbols of the sacraments and what do they mean? As authorized representatives of the living Tradition, the Liturgy (including the readings from the Church Fathers and the Catechism) together with the Scriptures offer both the scholar and pastor the opportunity to study typology as the Catholic Church herself understands and prays it today. In those texts, the Church considers her own "Fulfilled in Christ" thus offers a comprehensive and readable summary of references to types and symbols of the sacraments in the Scriptures and the living Tradition of the Church as represented by the Liturgy and the Catechism. The result is a highly objective scholarly and at the same time pastoral study of how the Church understands and lives the types and symbols of the sacraments today.
