E. Phillips Oppenheim: 72 Novels & 100+ Short Stories (Illustrated Edition) E. Phillips Oppenheim,2023-12-07 E Phillips Oppenheim 72 Novels 100 Short Stories Illustrated Edition is a comprehensive collection that encapsulates the prodigious output of one of the early 20th century s most prolific writers Oppenheim often regarded as the Prince of Storytellers masterfully blends elements of mystery adventure and romance in his narratives which reflect the era s cultural tensions and technological advancements This illustrated edition offers rich visual context alongside

Oppenheim's sharp prose providing readers with a dual experience that enhances the thematic depth of his stories from espionage to societal critique. Born in 1866, E. Phillips Oppenheim's storytelling prowess was arguably shaped by his early career in journalism and his exposure to the dynamic world of British high society. His understanding of human psychology and social structures permeated his narratives, which often feature complex characters navigating morally ambiguous landscapes. The juxtaposition of his fascination with the thrill of adventure and a critique of societal norms suggests Oppenheim's reflective engagement with the changing world around him, particularly during the tumultuous years leading up to and beyond World War I. I highly recommend this illustrated edition to readers who appreciate historical fiction and the art of storytelling in its classic form. Oppenheim's works not only entertain but also provoke thought about human nature and societal values, making this collection an essential addition for both literary enthusiasts and casual readers alike.
