NOTES: 1. Perform annually or at specified intervals, whichever comes first. 2. Should be performed by an authorized Harley-Davidson dealer, unless you have the proper tools, service data and are mechanically qualified. 3. Perform maintenance more frequently in severe riding conditions (such as extreme temperatures, dusty environments, mountainous or rough roads, long storage conditions, short runs, heavy stop/go traffic or poor fuel quality). 4. Cycles vary with frequency of operation and riding style.

Emerging Labor Market Institutions for the Twenty-First Century Richard B. Freeman, Joni Hersch, Lawrence Mishel, 2007-09-01 Private sector unionism is in decline in the United States As a result labor advocates community groups nongovernmental organizations and individuals concerned with the well being of workers have sought to develop alternative ways to represent workers interests Emerging Labor Market Institutions for the Twenty First Century provides the first in depth assessment of how effectively labor market institutions are responding to this drastically altered landscape This important volume provides case studies of new labor market institutions and new directions for existing institutions The contributors examine the behavior and impact of new organizations that have formed to solve workplace problems and to bolster the position of workers They also document how unions employ new strategies to maintain their role in the economic system While non union institutions are unlikely to fill the gap left by the decline of unions the findings suggest that emerging groups and unions might together improve some dimensions of worker well being Emerging Labor Market Institutions is the story of workers and institutions in flux searching for ways to represent labor in the new century
