Locker Room Planning Guide:

Design Guide for U.S. Army Reserve Facilities, 1984 *Basic Planning Guide for Vocational and Technical Education Facilities* William W. Chase, Johnny W. Browne, Michael Russo, United States. Office of Education, 1965 The Vocational Education Act of 1963 provides Federal funds for the construction and remodeling of vocational facilities The emphasis upon the area vocational school and the types of programs specified in the Act will necessitate programs of planning quite different from those normally associated with the usual elementary secondary or community college units The intent of this booklet is therefore to acquaint local planners board members school administrators citizen committees architects and other interested persons with the aspects of the Act which pertain to construction of area vocational schools and with basic principles involved in planning such facilities The material has been obtained from a wide variety of sources and condensed in outline form deliberately to serve as a ready reference particularly for those individuals or groups who might be involved in the early stages of planning
